

EMPLOYEE CHILD CARE SURVEY

Many working parents in our community have been impacted by lack of affordable and reliable child care options. Limited access to child care changes the ways that families can participate in the workforce.

We need your input! We are looking for information from parents regarding their child care needs. Please take a few moments to answer some questions about raising the littlest Montanans!

The information from this survey will help us find solutions for child care in our community to better serve employees and increase labor participation.

EMPLOYER CHILD CARE SURVEY

With Montana employers' current challenge of finding and retaining workers, affordable child care is a paramount issue. Accessibility and affordability of child care are key to business stability.

We need your input! We are looking to gather information from employers regarding child care needs in our community. Please take a few moments to answer questions about your business needs.

This survey will help us find solutions to better serve employers, employees, and increase labor participation rates by banding companies together to lower the cost for the benefit of all.
