## TIME FOR A BUSINESS CHECK-UP?

Our Business Assessment Package Includes the items below (choose the entire bundle or make your selections à la carte) :

### 1 STRATEGIC ASSESSMENT

Utilizing SWOT Analysis, our Strategic Questionnaire and Vision Builder tool, we help you to clarify your strategic positioning and future direction.

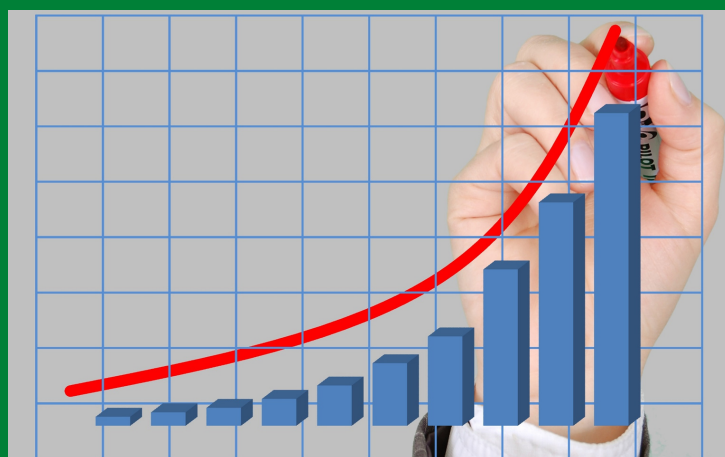

### 2 FINANCIAL REVIEW

Utilizing our Analytical Tools and senior level experience, we bring a business perspective to the numbers, identifying strengths and weaknesses, and potential areas for improvement.

### 3 ESTIMATE OF BUSINESS VALUE

Ever wonder about the potential value of your business? We will prepare a Market Estimate of Business Value, using various valuation tools and analysis.

So, you've built a successful business...

Now what?

### 4 BUILD OR SELL EVALUATION

Is it time for you to move forward on your Exit Plan **or** continue building your business into a more valuable enterprise? Using the Value Builder System's proprietary methodology, we provide both an Assessment of the Business' readiness to sell as well as the Business Owner's readiness to exit.

### 5 CUSTOMIZED BUSINESS OWNER CONSULTATION

Our package includes up to 4 hours of personalized business consultations with the Business Owner (and Management Team in some cases) to discuss key findings and develop an Implementation Plan.

Building a strategic financial roadmap to help companies reach business goals.
