

7 Things To Ask A Grant Writing Training Company **BEFORE** You Let Them Teach YOU To *Write A Grant!*

1. **Can I see and hear a sample of what your grant writing instructors are like** so I can *assess their knowledge and communication style* to see if it fits with how I like to learn?
2. **Does your grant writing trainings offer *free, on-going support* such as *grant writing coaching videos* after the workshop?** If so, can I see a sample?
3. **Does your grant writing workshop come with a *free membership* to the **Grant Writers Association** or *any* grant professional organization with a national presence?**
4. **Will your grant writing training provide me with *any* exclusive grant writing training videos and special reports to help guide me** step-by-step and motivate me to action after the workshop is over?
5. **Why is your cost so cheap and is this an indicator** of the quality of services I can expect?
6. **Does your grant writing training offer ongoing, specialized grant writing coaching, conferences and webinars** to help me achieve greater success after the workshop is over?
7. **Does your training help me to learn how to turn the skill of grant writing into a full or part-time business** if I want to earn extra money on the side using this newly acquired knowledge?
