Lexington-Shinhidaka Student Exchange Program

Parent Information Letter

Dear Parents:

We are excited your student is interested in participating in the 2019 Lexington-Shinhidaka Student Exchange. The purpose of this exchange program is to provide a genuine cultural and family experience in another country for middle and high school students of Lexington, Kentucky and those of Shinhidaka, Japan.

As parents/guardians, you must be willing and able to receive a Japanese student in your home as part of the program. Students from Japan will visit Lexington in March, while students from Lexington will visit Japan in July. The Shinhidaka and Lexington students will be together for both parts of the exchange program.

To be selected for our program, students should exhibit maturity, flexibility, an interest in the Japanese culture, and qualities that would make them a good ambassador for Lexington, Kentucky, and the United States.

Students must turn 14 by June 1, 2019 to participate in the program. **Please note that students over the age of 18 before August 1, 2019 will not be considered for this program.**

Applications are due to the Lexington Sister Cities office by Friday, November 9, 2018.

Applications can be emailed to abrewsaugh@lexingtonky.gov, mailed, or dropped off to:

**Lexington Sister Cities
ATTN: Alexandra Brewsaugh
200 East Main Street
Lexington, KY 40507.**

Applications should include the following items:

- Completed Lexington-Shinhidaka Student Exchange Application
- \$25 Application Fee
- Current Photo
- Two recommendation letters:
 - One letter should be from a teacher or counselor.
 - The second letter can be from a teacher, counselor or personal reference.
 - There is a recommendation form attached to the application that student's should give to those they wish to write a recommendation.
 - An online recommendation form is available for teacher this year on the Lexington Sister Cities website. www.lexingtonsistercities.org
 - Recommendation letters may be turned in separate from the application if the teacher wishes to send it in separately. Letters should be received by the scheduled interview time for the student.

After the application deadline, an interview date will be set up. Our main means of communication is through email, so please ensure all email addresses are listed on your son or daughter's application.

Upon acceptance into this program, orientations will be held to prepare your student for the trip. These orientations are mandatory for participation.

You will find on the next page a list of "Frequently Asked Questions" about our exchange program to Shinhidaka. Please read through this sheet prior to your scheduled interview.

Please sign and date the end of this application to indicate your consent for your son or daughter to submit an application.

Thanks for your interest in our program. We look forward to meeting you and your student at the interview.

Lexington-Shinhidaka Student Exchange Program

Frequently Asked Questions:

1. How long is the exchange?
 - a. Shinhidaka students visit Lexington for 5-6 days; Lexington students travel to Shinhidaka for 10-12 days.
2. What are the dates for the exchange?
 - a. While we don't have exact dates for the 2018 exchange, we can give some approximate time frames. Shinhidaka students visit Lexington near the end of March, usually around March 25-31. Lexington students will travel to Shinhidaka in July.
3. Does my student have to be taking Japanese to participate in the Shinhidaka Exchange?
 - a. Students do not have to be taking Japanese to participate in the exchange.
4. Can my student apply for two Sister Cities programs?
 - a. No – students should only submit one application to Sister Cities. Students will not be considered for multiple programs.
5. Is there a chaperone for the students?
 - a. Yes. The chaperone is usually a teacher or member of Lexington Sister Cities. They will be available at orientations for parents and students to meet and get to know.
6. Who will my student stay with during the exchange?
 - a. Your student will be matched with a student from Shinhidaka that they will host in Lexington. It is possible they will also be staying with that student's family in Shinhidaka; however, it could be a different host family.
7. How are the host families in Shinhidaka selected?
 - a. The Sister Cities Committee in Shinhidaka selects their host families in a similar process to ours. Because Shinhidaka is a much smaller town, the committee members usually know the families really well even before selection.
8. How much does the exchange cost?
 - a. Other than the \$25 application fee, the cost will be between \$2,000 and \$2,200, depending on current airline prices. Upon acceptance, a \$200 non-refundable deposit is due to Sister Cities. Once the airfare is found and held by the travel agent, payment will be due to Sister Cities. If necessary, payment plans can be arranged. However, the full amount of the airline ticket will be due at least 90 days from departure. Scholarships are available for financial need – the scholarship application can be found on the website.
9. What are some other costs we may incur?
 - a. Other costs include spending money for gifts, souvenirs, et cetera; as well as obtaining a passport if they do not have one already.
10. When are the interviews for the exchange?
 - a. Interviews will be scheduled either mid-November or early December. Interviews will last about 30 minutes per family. If possible, both parents/guardians should attend the interview.
11. What happens after my student gets selected?
 - a. The Lexington-Shinhidaka Committee will inform the student and their parents at the interview when the acceptances will be emailed out to the students. Once the student receives their acceptance email, they will be given a date to accept their spot in the program by – this date is usually 24-48 hours after the acceptance email is sent.
 - b. Once students have accepted their spot in the program, a \$200 non-refundable deposit should be sent to Lexington Sister Cities. This will be applied towards your airfare.
 - c. Orientations will start in February. Orientations are MANDATORY for participation in the program. At least one parent should attend each meeting with their student.
12. What is provided to my student while they are in Japan?
 - a. While your student is in Japan, accommodation and meals will be provided by the host family. Exceptions may include if the students are out together and they get ice cream/coffee/etc. This would be something your student would use spending money for.
13. What are we expected to provide for the Shinhidaka student while they are in Lexington?
 - a. While the Shinhidaka student is in Lexington, you are expected to provide meals and accommodations. Treat them as an additional child in your family – anything you would pay for your own child, you should pay for the Shinhidaka student as well.

Lexington-Shinhidaka Student Exchange Program

14. What if my student gets sick while in Japan?
 - a. Just as you would care for a sick child in your home, so will your student's host family. We ask that you check with your insurance company before your child departs to make sure you are covered for international expenses.
15. Are there group activities planned by Sister Cities?
 - a. Yes – both in Japan and in Lexington the committees plan groups activities and dinners.
16. Can my child drive while in Japan?
 - a. No.
17. Can my child drive their Shinhidaka student while in Lexington?
 - a. Yes, if they have a valid driver's license that permits them to drive others in his/her car.
18. Can I call/email/text my child while they are in Japan?
 - a. Yes – BUT we prefer that this is done only occasionally. The students are in Japan to immerse themselves in culture and family life – this cannot be done if they are on their cell phones too much. This will be discussed during our orientations.
19. How does the committee decide how to match the students?
 - a. We gather information from both applications and the Lexington student's interview to try and match based on: common interests, age & gender (if you have specified you cannot host a student of the opposite gender, you will not be expected to), and other specifications such as pet allergies.
20. My child is hoping their counterpart will end up being their best friend. Is this the case?
 - a. While many great, lasting friendships have been made on our exchange programs, not every match is perfect. Both committees do their best to match the students, but sometimes the students do not end up being best friends. However, they are both still provided with a great opportunity to have a cultural experience that they should take advantage of, regardless of their similarities to their counterpart.
