LOKHANDWALA KATARIA CONSTRUCTION PRIVATE LIMITED

For the Financial Year 2024 - 2025

INDEPENDENT AUDITOR'S REPORT

The Members of Lokhandwala Kataria Construction Private Limited Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Lokhandwala Kataria Construction Private Limited** ("the Company"), which comprise the balance sheet as at 31 March 2025, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required, except for the matters described in the paragraph "Basis for Opinion" give a true and fair view in conformity with the Indian Accounting Principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, its Losses for the year and its cash flows for the year ended on that date unless otherwise specifically mentioned in the Report.

Disclaimer of Opinion

During the financial year 2020-21, the Company issued Non-convertible Debentures on private placement basis which are listed in a Stock Exchange. Notification dated 16th February 2015 issued by the Ministry of Corporate Affairs (MCA) in respect of the applicability of Companies Indian Accounting Rule, 2015. The Company need to have implemented Ind AS during the accounting year 31st March 2021. The definition of Listed Company amended vide Notification dated 19th February 2021 by the MCA and as per the said Notification the Company is not a Listed Company under the definition of Listed Company as per Section 2(52) of the Companies Act, 2013 with effect from 1st April 2021. The management has the opinion that as on the date of publishing the Financial Statement, the Company is not a listed company as per the definition of Section 2(52) of the Companies Act, 2013, which is the overriding section and hence the implementation of Ind AS is not applicable to the Company. The financial statement of the Company is prepared without considering the applicability of Ind AS. The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting in accordance with the accounting principles generally accepted in India ('Indian GAAP') and comply with the Accounting standards prescribed in the Companies

(Accounting Standards) Rules and other relevant provisions of the Companies Act, 2013, to the extent applicable. Our report on the accounts of the Company is subject to above. We do not express any opinion on the accompanying financial statements of the company on the applicability of Ind AS.

Emphasis of Matters

The Company is having the negative Cash flow from its operating activities during the current year and also in the preceding previous years. Due to the continues negative cash flow of the company from the operating activities, there was major delays/defaults in payment of principal and interest on borrowings, payment of statutory liabilities, payment of salaries to the employees, payment to the creditors and other dues of the Company in the previous years. The management of the Company is of the opinion that no adverse impact is anticipated on future operations of the Company, due to the negative Cash flow from its operating activities during the current year and in the preceding previous years. In view of the continuously cash losses incurred by the Company and looking to the past defaults made by the Company of its payments, we reserve our opinion whether the Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due.

Key Audit Matters

- i. *Various legal cases are filed against the Company including applications by various Financial Creditors before the National Company Law Tribunal (NCLT). In one of the case, the NCLT has admitted the application of one of the Financial Creditor Dalmia Group Holding on 8th August 2019 and the Insolvency Resolution Professional (IRP) was appointed by the NCLT. Subsequently the company entered into the deed of settlement with Dalmia Group Holding which was filed and approved by the NCLT and the IRP was withdrawn. As per the deed of settlement the net settled amount payable by the company to Dalmia Group Holding became the liability of Lokhandwala Infrastructure Private Limited and the outstanding amount in the books of the company is transferred to Lokhandwala Infrastructure Private Limited during the Financial Year 2019-20. Further against this loan the Company has given the Security by way of entering sale agreement of 5 (five) units having 9,524 (Nine thousand five hundred twenty four) square feet carpet area which are registered as sale agreement. During the year Dalmia Group Holding sold 3 units of the security to third party and the same is accounted as sale in the books of the company.*
- ii. *The company availed various Term Loans from Indiabulls Housing Finance Limited (IBHFL). The supporting documents regarding the updated terms and conditions of the said Term Loans from IBHFL including the loan repayment schedule, rate of interest, penal interest, other charges etc. are not available with the company. The Term Loans from IBHFL was fully repaid by the Company during the financial year 2020-21 as per the final demand raised by the IBHFL. In absence of adequate information, we reserve our opinion to all the disclosure and the impact in the Financial Statements of the matter related to the said Term Loans from IBHFL.*
- iii. *Attention invited regarding the Non-convertible Debentures issued to Shapoorji Pallonji Development Managers Private Limited by the Company regarding the redemption premium payable by the Company. As there is no certainty/agreed amount*

regarding the redemption premium payable by the Company, no provisions regarding Debenture Redemption Premium is provided in the books of the Company. Further as per the Debenture Trust Deed (DTD), these debentures are to be redeemed before 30th September 2024. These debentures are not redeemed by the company.

- iv. The Company is irregular in payment of various statutory dues and filing of the statutory returns, including the payment of Tax Deduction at Sources (TDS), payment of Provident Fund (PF), Maharashtra Value Added Tax, Municipal Tax and filing of the returns. No provision has made by the company in its books of account towards interest and penalty if any, on account of the delay in filing and payment of various statutory dues. In absence of adequate information, we reserve our opinion of the impact of the same on the financial statements.*
- v. Various cases / litigations are filed against / by the Company in various forums. In absence of adequate information, we reserve our opinion of the impact of the same on the financial statements.*
- vi. No provision made in the Books for Debenture Redemption Premium Reserve in absence of adequate profit during the year.*
- vii. The premium/interest on debenture accrued but not due of the debentures issued are subject to confirmation from the Debenture Trustee / Debenture Holders.*
- viii. No interest paid or provided by the Company regarding delay in payment made to Micro, Small and Medium Enterprises. In absence of adequate information, the same is not ascertainable.*
- ix. The company has given advances to various parties in relation to its business. Out of the said advances an amount of Rs.9.24 Crores which is outstanding for a long period. No information is available with the company as regard to the present status of the said advance. In absence of adequate information, we reserve our opinion of the impact of the same on the financial statements.*
- x. Rs.9.95 Crores appearing in the Traces site as amount payable for default in TDS. The Company has not filled any appeal against TDS demand and also no amount provided in the books of the Company.*
- xi. No provision for interest / premium are made on the debentures redeemed but not paid during the year.. The same will be provided on actual payment basis.*
- xii. No interest provided on the ICD for the year as no interest is received on the ICD till date. The same will be provided on actual receipts basis.*
- xiii. The amount appears in the Financial Statements are subject to confirmation from the respective parties.*

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with

the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises of the Director's Report, Management Discussion and Analysis Report and Corporate Governance Report. These reports are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the

financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31 March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in

our opinion and to the best of our information and according to the explanations given to us:

- i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements to the extent the Company is having the information about the same, *except as mentioned in this report* to the standalone financial statements;
- ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Lokhandwala Kataria Construction Private Limited
“Annexure – B” to the Independent Auditors’ Report – 31 March 2025
(Referred to in our report of even date)

Report on the Internal Financial Controls under Section 143(3)(i) of the Act

We were engaged to audit the internal financial controls over financial reporting of Lokhandwala Kataria Construction Private Limited (“the Company”) as at 31 March 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing to the extent applicable to an audit of internal financial controls, both issued by the ICAI.

Because of the matter described in Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

Meaning of Internal Financial Controls over Financial Reporting (continued)

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evolution of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer of Opinion

According to the information and explanation given to us, the Company has not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI. Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion on whether the Company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at 31 March 2025.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company, and the disclaimer does not affect our opinion on the financial statements of the Company.

1 Background

Lokhandwala Kataria Construction Private Limited ('the Company') was incorporated on 15 December 1998 under the Companies Act 1956. The company is engaged in the business of real estate development and construction. The Company is currently developing and constructing "Minerva", a project sanctioned under Slum rehabilitation scheme.

2 Summary of significant accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting in accordance with the accounting principles generally accepted in India ('Indian GAAP') and comply with the Accounting standards prescribed in the Companies (Accounting Standards) Rules, 2006 which continue to apply under Section 133 of the Companies Act, 2013 ('the Act') read with rule 7 of the Companies (Accounts) Rules, 2014 and other relevant provisions of the Companies Act, 2013, to the extent applicable. The financial statements are presented in Indian rupees.

2.2 Going Concern

As of 31 March 2025, the Company's paid up capital is Rs 25,21,31,370 and correspondingly, the Company's accumulated losses aggregated to Rs.1393.66 Crores Revenue recognition is recognized for the first time in Financial Year 2017-18 compliance with the 'Guidance Note on Accounting for Real Estate Transactions (Revised 2012)' issued by the Institute of Chartered Accountants of India. Based on the support letters received from the directors and business plan adopted by the Board of Directors, the Company's management believes that the Company will continue to operate as a going concern and meet all its liabilities as they fall due for payment and consequently will be in a position to continue in operation for the foreseeable future, to realise its assets and to discharge its liabilities in the normal course of business.

Accordingly, these financial statements have been prepared on a going concern basis and do not include any adjustments relating to the recoverability and classification of recorded assets, or to amounts and classification of liabilities.

2.3 Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles ('GAAP') in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities as of the date of the financial statements, and the reported amounts of revenues and expenses during the reported period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Management believes that the assumptions used in these estimates are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognized prospectively in current and future periods.

2.4 Current / Non-current classification

The Schedule III to the Act requires assets and liabilities to be classified as either Current or Non-current.

An asset is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be realised in, or is intended for sale or consumption in, the entity's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is expected to be realised within twelve months after the balance sheet date; or
- (d) it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the balance sheet date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be settled in, the entity's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within eighty two months after the balance sheet date; or
- (d) the Company does not have an unconditional right to defer settlement of the liability for at least eighty two months after the balance sheet date.

All other liabilities are classified as non-current.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out above which are in accordance with the Schedule III to the Act.

Operating Cycle:

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

Based on the nature of services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 172 months. The expected time for completion at the inception of the project was 82 months which was revised to 106 months and then revised to 148 months and then revised to 160 months and then revised to 172 months and the current expected completion of the project is December 2025.

2.5 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Income from real estate sales is recognized on the transfer of all significant risks and rewards of ownership to the buyers and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of consideration. However if, at the time of transfer substantial acts are yet to be performed under the contract, revenue is recognized on proportionate basis as the acts are performed, i.e. on the percentage of completion basis.

Determination of revenues under the percentage of completion method necessarily involves making estimates by the Company, some of which are of a technical nature, concerning, where relevant, the percentages of completion, costs to completion, the expected revenues from the project/activity and the foreseeable losses to completion. The estimates of cost are periodically reviewed by the Management and the effect of changes in estimates is recognised in the period such changes are recognised. When the total project cost is estimated to exceed total revenues from the project, the loss is recognised immediately.

Interest income is recognised on time proportion basis.

2.6 Employee benefits

(a) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include compensated absences such as paid annual leave and sickness leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized during the period.

(b) Long term employee benefits

(i) Defined contribution plans:

The Company's approved provident scheme is a defined contribution plan. The Company's contribution paid / payable under the schemes is recognised as expense in the statement of profit and loss during the year in which the employee renders the related service. The Company makes specified monthly contributions towards employee provident fund. The interest rate payable is being notified by the Government. There are no other obligations other than the contribution payable to the respective fund.

2.6 Employee benefits (Continued)

(b) Long term employee benefits (Continued)

(ii) Defined benefit plans:

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation are based on the market yields on Government securities as at the balance sheet date.

When the calculation results in a benefit to the Company, the recognised asset is limited to the net total of any unrecognised actuarial losses and past service costs and the present value of any future refunds from the plan or reductions in future contributions to the plan.

Actuarial gains and losses are recognized immediately in the statement of profit and loss.

(c) Other long term employee benefits

The Company's net obligation in respect of long-term employment benefits, other than gratuity, is the amount of future benefit towards leave that employees have earned in return for their service in the current and prior periods. The obligation is calculated using the projected unit credit method and is discounted to its present value and the fair value of any related assets is deducted. The discount rates used for determining the present value of the obligation under other long term employee benefits, are based on the market yields on Government securities as at the balance sheet date.

2.7 Fixed assets and depreciation

Tangible fixed assets:

Fixed assets are stated at cost less accumulated depreciation and impairment loss, if any. Cost comprises of purchase price and any attributable cost such as duties, freight, borrowing costs, erection and commissioning expenses incurred in bringing the asset to its working condition for its intended use.

Depreciation on fixed assets has been provided using the straight-line method in the manner and at the rates prescribed by Schedule II of the Act. Depreciation on addition/deletion of fixed asset made during the year is provided on pro-rata basis from / up to the date of each addition / deletion. The useful lives used are those specified in Schedule II of the Act as under

Assets	Life in no of years
Office equipment's	5 Years
Computers (including servers)	3 Years to 6 Years
Vehicles	8 Years
Furniture and fixtures	10 Years

During the previous year, the Company had revised the method of depreciation from the Written down value (WDV) method to Straight line method (SLM) with effect from 1 April 2014. The retrospective impact on depreciation due to the change in method aggregating Rs 5,140,272 (reversal) has been credited to the Statement of profit and loss in that year.

Pursuant to the Companies Act, 2013 being effective from 1 April 2014, the Company had aligned the useful life of fixed assets as per the useful life specified in Part 'C' of Schedule II of the Act.

Intangible fixed assets:

Intangible fixed assets represent software license purchased by the company and are amortized over an expected benefit period of five years using straight line method.

2.8 Inventories and project work in progress

Direct expenses like site labour cost, material used for project construction, project management consultancy, costs for moving the plant and machinery to the site and general expenses incurred specifically for the respective project like insurance, design and technical assistance and construction overheads are taken as the cost of construction work-in-progress.

Inventories are valued as lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2. Significant accounting policies (Continued)

2.9 Foreign currency transactions

Foreign exchange transactions are recorded at the spot rates on the date of the respective transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the statement of profit and loss.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date; the resultant exchange differences are recognised in the statement of profit and loss.

2.10 Taxation

Income tax expense comprises current income tax (i.e. amount of tax for the period determined in accordance with the income tax law), fringe benefits tax and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised. No deferred tax assets are created for the current financial year and immediate previous financial year.

2.11 Earnings per share (EPS)

The Basic EPS is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting period. Diluted EPS is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where the results would be anti-dilutive.

2.12 Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

2.13 *Borrowing costs*

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are treated as direct cost and are considered as part of the cost of such assets. A qualifying asset is an asset that necessarily requires a substantial period to get ready for its intended use or sale. Capitalisation of borrowing costs is suspended in the period during which the active development is delayed beyond a reasonable time due to other than temporary interruption. All other borrowing costs are charged to the statement of profit and loss as incurred.

2.14 *Redemption Premium/Interest on Non-Convertible Debentures (NCD)*

Interest/Redemption Premium on the NCD is calculated being equal to 16.07% (sixteen point zero seven per cent) per annum from the Deemed Date of Allotment to that Redemption Date as calculated using the Excel Spreadsheet "XIRR" function and taking into account the principal amount and the amount of Coupon Payments, in each case, already paid in respect of that Debenture on or prior to that redemption date. The said amount is debited to the Profit and Loss Accounts. Further while considering the expected cost for completion of the Project "Minerva", the Interest/Redemption Premium on the NCD is not considered.

2.15 *Operating lease*

Lease rentals in respect of assets acquired on operating leases are recognised in the statement of profit and loss on straight line basis over the lease term.

2.16 *Provisions and contingent liabilities*

The Company has created a provision where there is present obligation as a result of a past event that probably requires an outflow of resources, and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

3.24 Segment reporting

The Company is engaged in the business of development of real estate in India which is the primary business segment. The Company has only one reportable business and geographical segment. Accordingly, these financial statements are reflective of the information required by the Accounting Standard 17, for the property development segment.

3.25 Deferred tax asset, net

As per the Accounting Standard 22, "Accounting for taxes on income", the Company would have a net deferred tax asset, primarily on account of unabsorbed depreciation and unabsorbed loss. Deferred tax assets are recognised only to the extent they are considered to be virtually certain of realisation. The deferred tax assets that may arise due to unabsorbed carried forward losses and depreciation are not recognized as it is not considered to be virtually certain of realisation. The Company does not foresee any adjustment of the current losses and carry forward losses in near future and hence no deferred tax assets created.

- Corporate guarantee on behalf of associate company Rs.72.54 Cr (previous year: 72.54 Cr.) & applicable interest thereon.
- Property tax demand by BMC Rs.43.32 Crores.

3.34 Domestic transfer pricing

The Company's domestic transactions with associated enterprises are at arm's length for the year ended 31 March 2025. Management believes that the Company's domestic transactions with associated enterprises post 31 March 2024 continue to be at arm's length and transfer pricing legislation will not have an impact on the financial statements particularly on the amount of tax expense for the year and the amount of provision for tax at the year end.

- 3.35 The rebate given to various customer for GST, delay in project, deficiency/cancellation of amenities etc. amounting to Rs 2739.24 (2024:Rs.1227.81) is debited to Work in Progress Account as in the view management this expenses/rebate are directly related to the project

- 3.36 The company following the Percentage Completion Method while recognising the revenue from the sale of flats. The company has complied with the requirements as prescribed and started Recognition of Revenue in compliance with the Guidance Notes on Accounting for Real Estate Transactions (Revised 2012) issued by the Institute of Chartered Accountants of India.

3.37 Disclosure under Section 186 of the Companies Act 2013

The operations of the Company are classified as 'infrastructure facilities' as defined under Schedule VI to the Act. Accordingly, the disclosure requirements specified in sub-section (4) of Section 186 of the Act in respect of loans given, investment made or guarantee given or security provided and the related disclosures on purposes/ utilization by recipient companies, are not applicable to the Company.

3.38 Inter Corporate Deposit (ICD)

The company has given ICD to one of its group concern to Lokhandwala Infrastructure Pvt Ltd totaling to Rs 12,676.72 as on 31st March, 2025 (2024:12,676.72). Out of the said amount Rs 10,750.00 was given by the company to purchase its own shares as part of the business strategy.

3.39 Matter related to NCLT - Dalmia Group Holdings

One of the Financial Creditor Dalmia group Holdings filed a legal case against the company before the NCLT. The NCLT admitted the application of Dalmia Group Holdings and appointed Insolvency Resolution Professional (IRP). Subsequently the company entered into a deed of settlement with Dalmia Group Holdings which was filed and accepted by the NCLT and the IRP was withdrawn. As per the deed of settlement the net amount payable the Company to Dalmia Group Holdings is become the liability of Lokhandwala Infrastructure Private Limited and the outstanding amount in the books of the Company is transferred to Lokhandwala Infrastructure Private Limited. Further the Company has given 5 Flats of Minerva as security against the amount payable by Lokhandwala Infrastructure Private Limited. During the year Dalmia Group Holding sold 3 flats to third party and the amount received against sale of flat was received by Dalmia Group Holding. In the books of the Company the same is considered as sale and other receivables from Lokhandwala Infrastructure Pvt Ltd.

3.40 Investment in Shares

The Company invested a sum of Rs.4,579.44 (previous year Rs.4,579.44) to acquire the shares of Ratan Infrastructure Private Limited, Ratan Real Estate Services Private Limited and Solo commodities Private Limited from Lokhandwala Infrastructure Private Limited. These three companies where the Company acquired the shares, are in possession of three properties in the project Omkar 1973. All these three properties were used as security against the loan availed by the Company from Indiabulls Housing Finance Limited. Being the securities of these three companies used for the purpose of loan of the Company, as a strategic decision the Company acquire the shares of these three companies.

3.41 Tenants Compensation

As the Company is executing Slum Rehabilitation Project (SRA) the company is paying / providing rent to the slum dwellers. During F.Y.2021-2022 the company completed all the buildings to be given to the slum dwellers as part of the project & intimated to Slum Rehabilitation Authority (SRA) for allotment of the same to the slum dwellers. However due to certain litigations initiated by slum dwellers regarding the allotment of the units to the slum dwellers, the allotment by SRA is yet to be completed. The Company believe as it has already completed the project for slum dwellers and also informed to the SRA for allotment, it is no longer liable to pay any further rent. Therefore no provision was made in the books towards rent payable for the F.Y. 2024-2025. The rent paid with respect from F.Y.2024-2025 are accounted as expenses on actual payment basis.

3.42 Club Membership & Other Charges

During F.Y.2022-2023 the company has received part occupation certificate upto 39th level (51st floor) of the sale building. The Company also has given possession of certain apartments upto 39th level. Therefore the amount collected in respect of Club Membership and other charges from flat owners upto 39th level are booked as income under the head sale from operation.

3.44 Debenture Redemption Reserve

The Company issued various debentures as on the date of this Balance Sheet. In absence of adequate profit by the Company during the year no Debenture Redemption Reserve is created for the year.

III	a.	The Company is having the negative Cash flow from its operating activities during the current year and also in the preceding previous years. Due to the continues negative cash flow of the company from the operating activities, there was major delays/defaults in payment of principal and interest on borrowings, payment of statutory liabilities, payment of salaries to the employees, payment to the creditors and other dues of the Company in the previous years. The management of the Company is of the opinion that no adverse impact is anticipated on future operations of the Company, due to the negative Cash flow from its operating activities during the current year and in the preceding previous years. In view of the continuously cash losses incurred by the Company and looking to the past defaults made by the Company of its payments, we reserve our opinion whether the Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due.

To
The Board of Directors
Lokhandwala Kataria Construction Private Limited
306, Ceejay House, Dr. Annie Besant Road,
Worli, Mumbai – 400 018

1. This certificate is issued in accordance with the terms of our engagement letter with reference no. SRS/EL/2022-23/8 dated September 28, 2022.
2. We, Hare K. Panda & Co., Chartered Accountants, the statutory auditor of The Lokhandwala Kataria Construction Private Limited ("the Company"), have been requested by the Management of the Company to certify book value of assets of the Company contained in Columns A to J of the Statement, and whether the Company has complied with financial covenants with respect to the listed secured non-convertible debentures issued and outstanding as at March 31, 2025 as given in note 4 of the Statement ("the debentures").

The Statement is prepared by the Company from the audited books of accounts and other relevant records and documents maintained by the Company as at March 31, 2025 pursuant to requirements of Circular no. SEBI / HO / MIRSD / MIRSD _ CRADT / CIR / P / 2022 / 67 dated May 19, 2022 issued by Securities and Exchange Board of India in terms of regulation 54 read with regulation 56(1)(d) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Regulation 15(1)(t) of Securities and Exchange Board of India (Debenture Trustees) Regulations, 1993 (hereinafter referred together as "the SEBI Regulations"), as amended, for the purpose of submission to Vistra ITCL (India) Limited, Debenture Trustee of the Non-Convertible debentures (hereinafter referred to as "the Debenture Trustee") issued by the Company and outstanding as at March 31, 2025.

Management's Responsibility

3. The preparation of the Statement is the responsibility of the Management of the Company, including the preparation and maintenance of all accounting and other relevant supporting records and documents. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Statement and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances.
4. The management of the Company is also responsible for ensuring that the Company complies with all the relevant requirements of the SEBI Regulations and for providing all relevant information to the Debenture Trustees and for complying with all the covenants as prescribed in the terms of Offer Document / Information Memorandum / Debenture Trust Deed.

Auditor's Responsibility

5. Pursuant to the requirements of Circular no. SEBI / HO / MIRSD / MIRSD _ CRADT / CIR / P / 2022 / 67 dated May 19, 2022 issued by Securities and Exchange Board of India, our responsibility for the purpose of this certificate is to provide a limited assurance on whether the book values of the assets of the Company contained in Columns A to J of the Statement have been accurately extracted and ascertained from the unaudited books of accounts of the Company and other relevant records and documents maintained by the Company, and whether the Company has complied with financial covenants of the debentures.
6. A limited assurance engagement involves making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. The procedures performed vary in nature and timing from a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.

Accordingly, we have performed the following procedures in relation to the statement:

- a) Obtained the Statement from the management.
 - b) Verified that the information contained in the Statement have been accurately extracted and ascertained from the unaudited books of accounts of the Company as at and for the period ended March 31, 2025 and other relevant records and documents maintained by the Company, in the normal course of its business.
 - c) Verified and examined the arithmetical and clerical accuracy of the information included in the Statement.
 - d) Reviewed the terms of Offer Document / Information Memorandum / Debenture Trust Deed to understand the nature of charge (viz. exclusive charge or pari-passu charge) on assets of the Company.
 - e) Obtained Register of Charges kept by the Company as per the requirements of the Companies Act, 2013 to understand the composition of charges already created on assets of the company.
 - f) Read the terms relating to financial covenants of the debentures and recomputed the financial covenants.
 - g) Performed necessary inquiries with the management and obtained necessary representations.
7. We conducted our examination and obtained the explanations in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India (ICAI). This Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
 8. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Review

Historical Financial Information, and Other Assurance and Related Services Engagements.

Conclusion

9. Based on the procedures performed as referred to in paragraph 6 above and according to the information and explanations provided to us by the Management of the Company, nothing has come to our attention that causes us to believe that the book values of the assets of the Company contained in Columns A to J of the Statement have not been accurately extracted and ascertained from unaudited books of accounts of the Company for the period ended and as at March 31, 2025 and other relevant records and documents maintained by the Company and that the Company has not complied with financial covenants of the debentures.

Restriction on Use

10. This certificate is addressed to and provided to the Board of Directors of the Company solely for the purpose of submission to the Debenture Trustee and should not be used by any other person or for any other purposes without our prior consent in writing. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.
