Island Fish & Tank Rescue
- working together with IOM Fish Enthusiasts

'Dirty water is good water and the ugly is beautiful'

SonsofMann.com Sponsor/Funding source for BoxedinMann.com = MyManx.Shop (Site in development)

First Floor Ramseys Island Fish and Tank Rescue Gallery

Including Fish Mann Store –
Island Fish Enthusiasts and
Island Fish & Tank Rescues.
Is somewhere all the lost
creatures can call home- incl.
the good, the bad & the ugly.

Using the building's water table to recycle the tank waters and
regulate the heating systems would make fish keeping sustainable
again.

2nd Floor - Ramseys Planted & Gr3NeR Tanks for Clearer Minds - Plant your problems - Tank tutorials

Including potential businesses like GreenMann, PlantMann, and Aquagardens. ShowyourEtanksIOM, showyourrootsiom, Gr3Ner-Minds & Mymindcubed3 are classes and media tutorials of how to create AquaGardens, understand and learn Aquascaping & Watercycles.

We would also encourage and support Charities such as Mind, Isle Listen & Hospice. Also invite School Clubs and other Fish Enthusiasts & Tank Hobbyists to support this adventure.

A man in England put a **PLANT** in a **BOTTLE** in 1960, and the last time he watered it was in 1972. It continues to thrive because the sealed bottle is like a **MINIATURE ECOSYSTEMS** that recycles its own **WATER** and **NUTRIENTS**.
