Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on 02/2019. As of 02/2021, two full years of data for this program will be available.

### Definitions

- • “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- • “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- • “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- • “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- • “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- • “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- • “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- • “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- • “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- • “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- • “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

**CANCELLATION AND REFUND POLICY:**

**STUDENT’S RIGHT TO CANCEL:** The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid programs. If for any reason an applicant is not accepted by the school, the applicant is entitled to a refund of all monies paid.

**Refund after the commencement of classes:**

1. Procedure for withdrawal/withdrawal date:
  - A. A student choosing to withdraw from the school after the commencement of classes is to provide written notice to the Director of the school. The notice is to indicate the expected last date of attendance and be signed and dated by the student.
  - B. For a student who is on authorized Leave of Absence, the withdraw date is the date the student was scheduled to return from the Leave and failed to do so.
  - C. A student will be determined to be withdrawn from the institution if the student has not attended any class for 3 weeks.
  - D. All refunds will be issued within 30 days of the determination of the withdrawal date.
  
2. Tuition charges/refunds:
  - A. Before the beginning of classes, the student is entitled to a refund of 100% of the tuition, minus the registration processing fee of \$100.
  - B. After the commencement of classes, the tuition refund (minus the registration processing fee of \$100) amount shall be determined as follows:

<b>% of the clock hours attempted:</b>	<b>Tuition refund amount:</b>
10% or less	90%
More than 10% and less than or equal to 20%	80%

More than 20% and less than or equal to 30%	70%
More than 30% and less than or equal to 40%	60%
More than 40% and less than or equal to 50%	50%
More than 50%	No Refund is required

The percentage of the clock hours attempted is determined by dividing the total number of clock hours elapsed from the student's start date to the student's last day of attendance, by the total number of clock hours in the program.
