IBKC ONLINE REGISTRY

We strongly encourage kennels to register online with IBKC in advance. Please visit their website for details and instructions ibkcregistry.com. This will give ample time to address any discrepancies and gather any required documents. There will also be an in-person registration the day before to submit necessary paperwork. If further assistance is needed, please do not hesitate to reach out to us.

RINGSIDE KENNEL BOOTH LIMITATIONS

Each 10'x10' kennel space is restricted to two (2) representatives, accommodating a maximum of four (4) participating dogs. The safety and well-being of the dogs is our top priority, and we are dedicated to ensuring this.

SHARING OF RINGSIDE KENNEL SPACES among different kennels is strictly prohibited. Kennels that are co-owned or in partnership with another kennel should not promote two (2) distinct kennel names under one (1) 10'x10'. For instance, Kennel A is a registered Gold Ringside Sponsor and has two (2) co-owners/partners from Kennel B and Kennel C. It is highly recommended that each partnership has their own designated ringside kennel. Event coordinators will prioritize these kennel partnerships when mapping kennel spots so that they will be located side-by-side. Spaces are allocated on a first-come, first-serve basis, and there is no guarantee for late participants. Please specify this request upon Gold Sponsorship registration.

PUPPY & ADULT DOG SALES AND/OR REHOMING

Hawaii Bully Showdown supports responsible breeding's and rehoming practices for both puppies and adult canines, ensuring the well-being and welfare of animals through thorough screening for adopters, providing necessary medical care, and promoting education on proper

pet care and ownership. Please understand these standards are intended to foster and advocate for ethical business practices.

If interested in promoting a litter, puppy, or adult canine please inquire with the event coordinators for approval.

MERCHANDISE SALES

We encourage kennels to showcase and sell their premium products at their booths at no additional charge. This is an opportunity to providing attendees to discover local businesses.
