| Telemedicine 2022-2024 | Savings YTD | Savings Per Episode | Number of Episodes |
|------------------------|-------------|---------------------|--------------------|
|                        | \$28,860    | \$465               | 62                 |

- 500-employee life automotive dealer group in the mid-Atlantic.
- Existing, multi-year client saved money & managed their trend with several integrated point solutions.
- What you don't see: The employer's CFO taking a hands-on approach to proactively manage the plan - contributing to the success.
- In this example, the client implemented international sourcing of several high-cost prescription drugs along with telemedicine that minimized in-person office visits.

### **Five-Year, Three Million Dollar Surplus Journey**

|                      | \$1,107,400 | \$257,400 | \$1,364,800   |

| International Sourcing | Previous PBM Cost | Claims Paid | Savings   | Savings % |
|------------------------|-------------------|-------------|-----------|-----------|
|                        | \$1,525,101       | \$797,850   | \$727,251 | 52%       |

- 600-employee life professional services group based in the Southeast.
- Transitioned from fully insured to self-insured.
- Key success contributors: implementing international sourcing of several high-cost prescription drugs
   guiding a segment of Medicare-eligible members off the plan.

### **International Sourcing Has Major Impact**

| Client Type: Manufacturer | 2022-2023 | 2023-2024     |  |
|---------------------------|-----------|---------------|--|
| Average Enrolled          | 116       | 122           |  |
| PEPM                      | \$880     | \$ <b>560</b> |  |

| International Sourcing | Previous PBM Cost | Claims Paid | Savings  | Savings % |
|------------------------|-------------------|-------------|----------|-----------|
|                        | \$69,861          | \$48,938    | \$20,923 | 30%       |

- 120-employee life manufacturing group based in the Northeast.
- Transitioned from fully insured to self-funded.
- Significant savings in just two years by implementing international sourcing of several high-cost prescription drugs.

## \$250k Savings With Manufacturer Assistance Program
