COVID-19 – Home to School Transport

Following discussion with schools and guidance from the government and county council, we have implemented the following risk management...

All students travelling on the school bus must:

- Wear a face mask/covering, unless exempt
- Carry their own hand sanitiser
- Use hand sanitiser on entering and leaving the bus
- Sit in a seat allocated to their school year
- Maintain minimal contact

Please also note the following:

- Hand sanitiser will be available at the entrance to the bus
- Each school year will be allocated to specific rows on the bus, with Year 13 at the rear and Year 7 at the front of the bus
 - Please note this is a key part of the **Track & Trace** system
- It is the responsibility of each student to maintain minimal contact and to sit within their school bubble
- Where weather conditions permit, the bus windows will be left open to maintain a flow of clean air
