Everything you need is at  
your fingertips

We have incorporated an LCD screen into the  
the body of the device. It provides real-time data  
time data on the remaining battery and liquid  
liquid levels.

Flonq Max Smart is an expression of style

When planning the design of Flonq Max Smart, Smart, we drew inspiration from the impressive impressive shapes of old dirigibles as well as as from high-tech car sand wheels. This eventually led to the creation of a device that that perfectly combines vintage and modern modern elements, mixing the past and the future.

Design features a streamlined shape, a light weight monolithic body, and a vibrant vibrant colour accent.

The glossy black casing of Flonq Max Smart pays Smart pays homage to the merits of timeless timeless elegance: Flonq Max Smart is an expression of style.

## Power Up

Flonq Max Smart rechargeable battery with its impressive capacity makes the device the most most powerful among Flonq models.

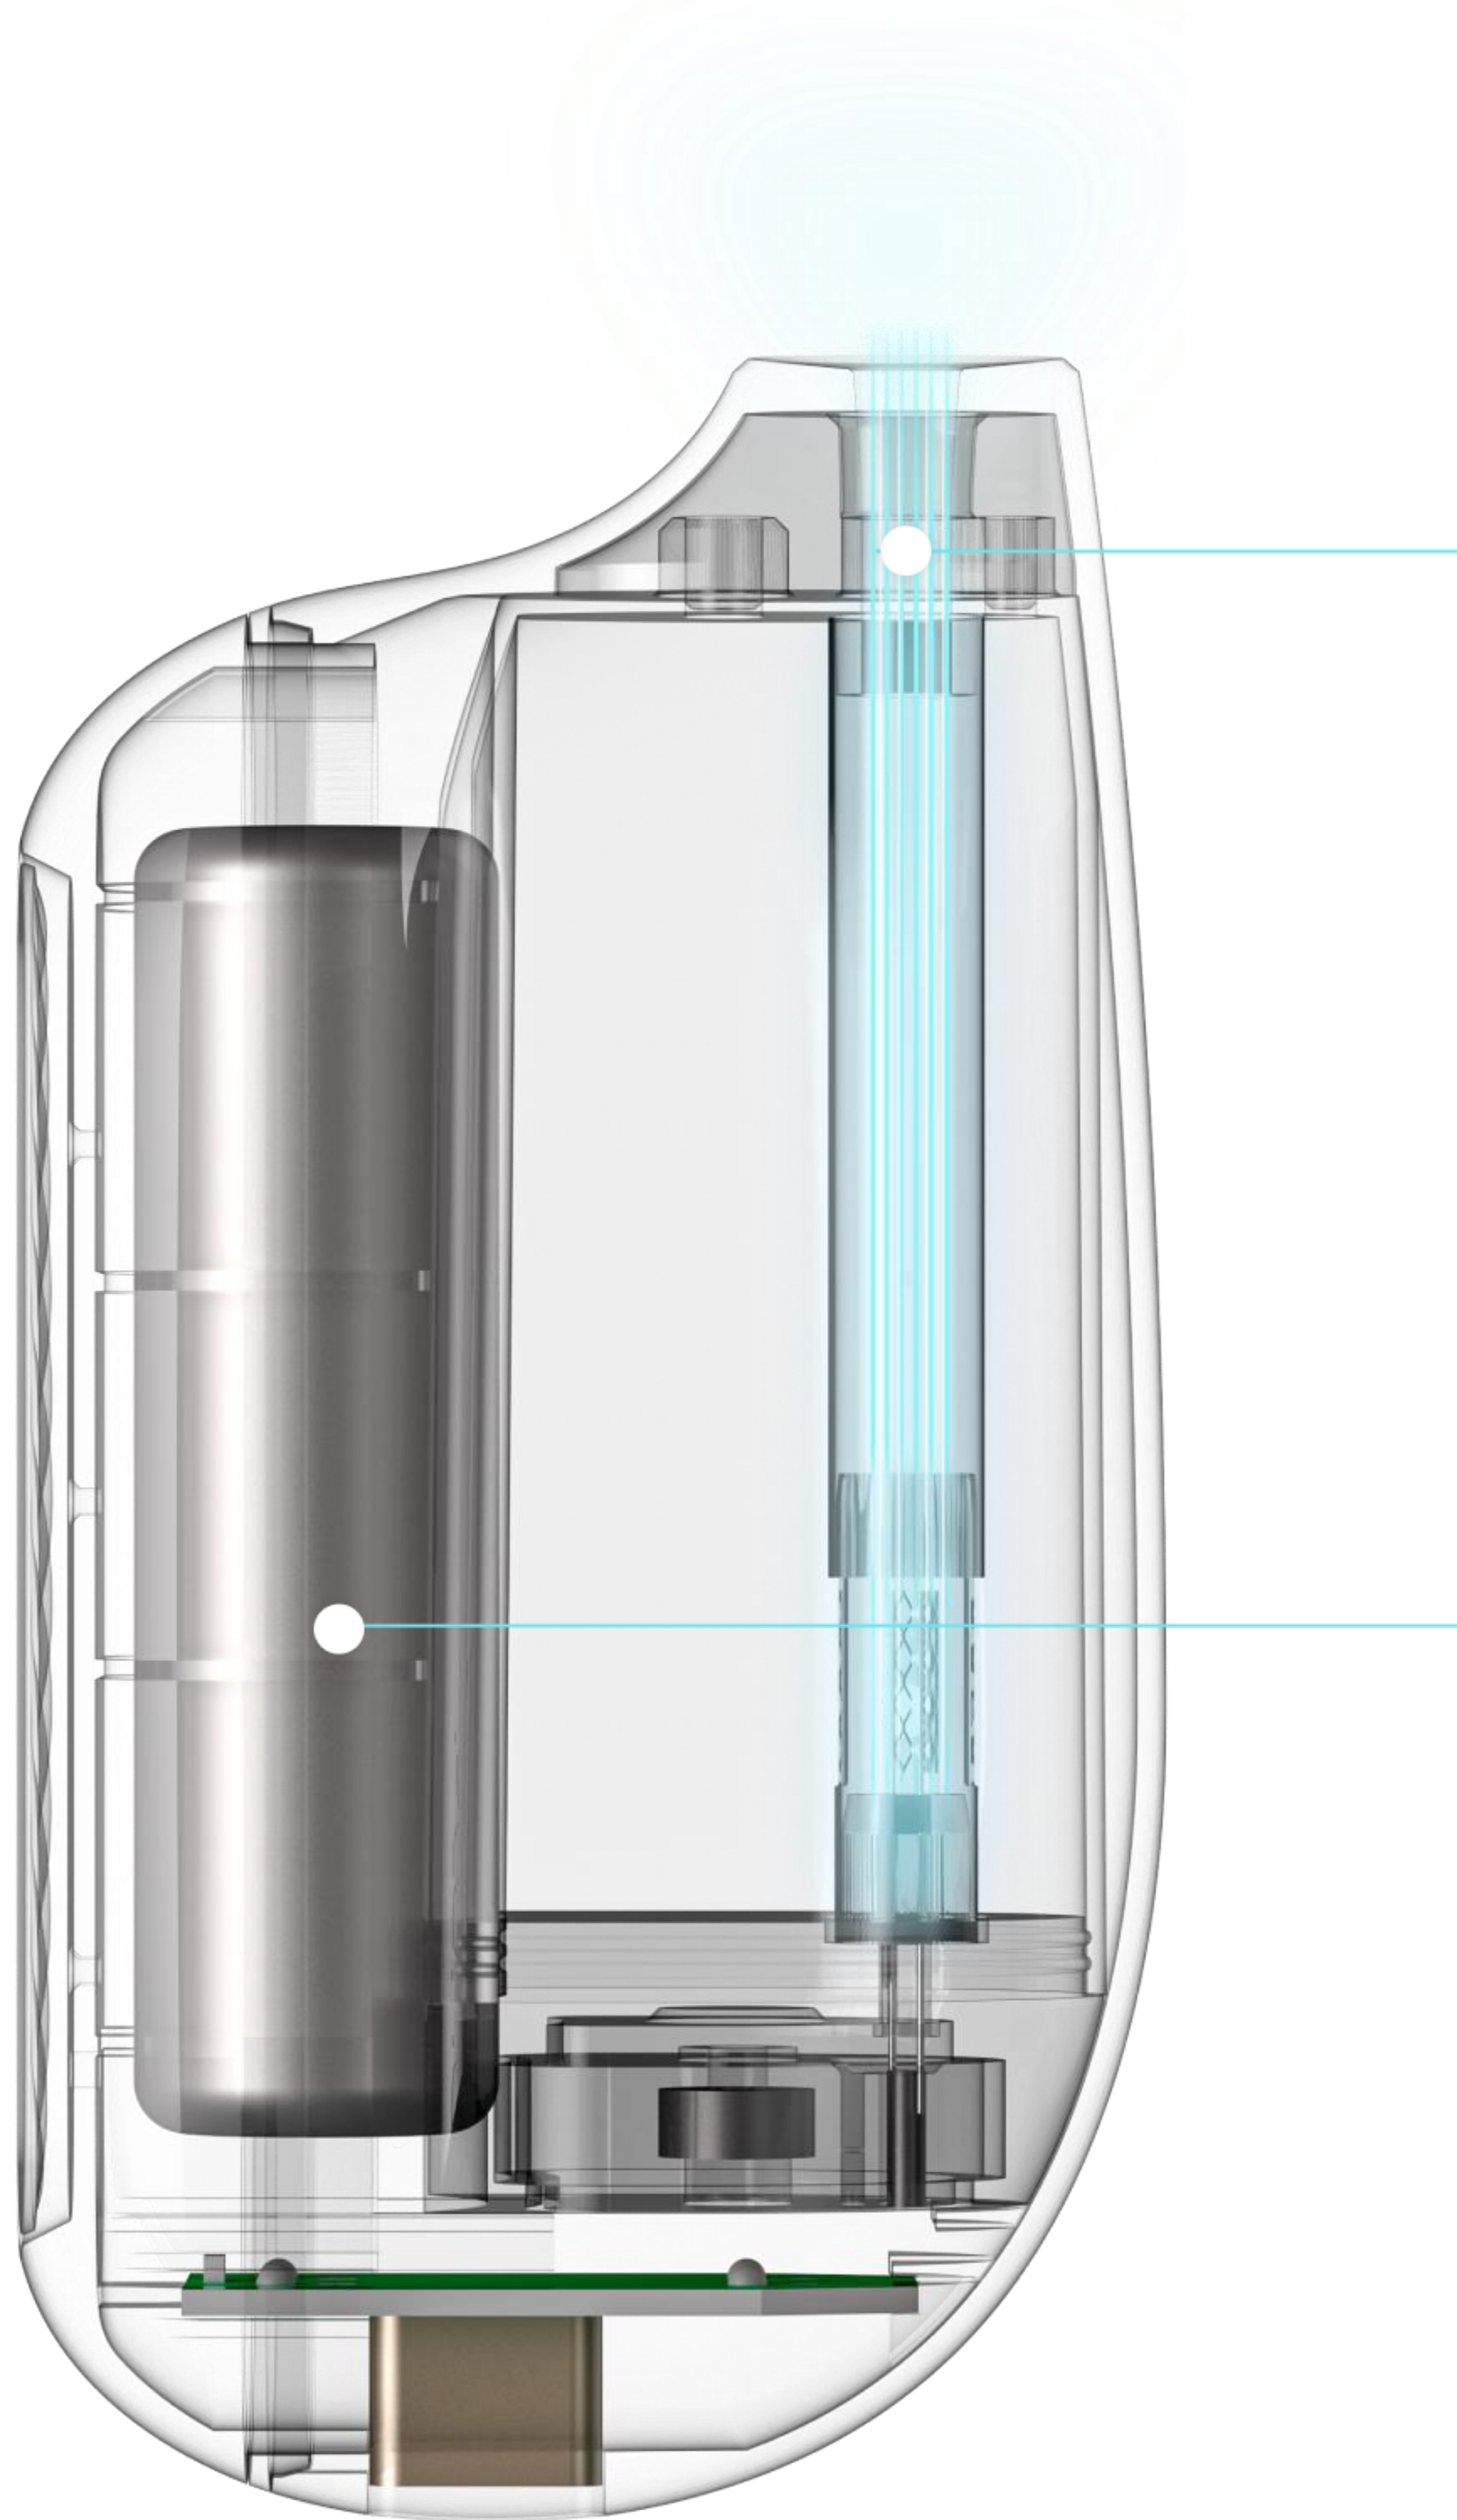

This e-cigarette is designed for up to 12 000 puffs, puffs, exceeding the expectations of those who who demand more.

## Dual coil technology

With the standout feature of dual coil technology, Flonq Max Smart ensures that that every drop of e-liquid from its 20 ml liquid liquid capacity is utilised from start to finish. finish.

## Long-lasting impression

Power: 11W

The internal electronics of Flonq Max ensure stable power delivery throughout the battery cycle. This results in dense, smooth, and rich vapour from the first to the last puff.

## Enhanced Performance

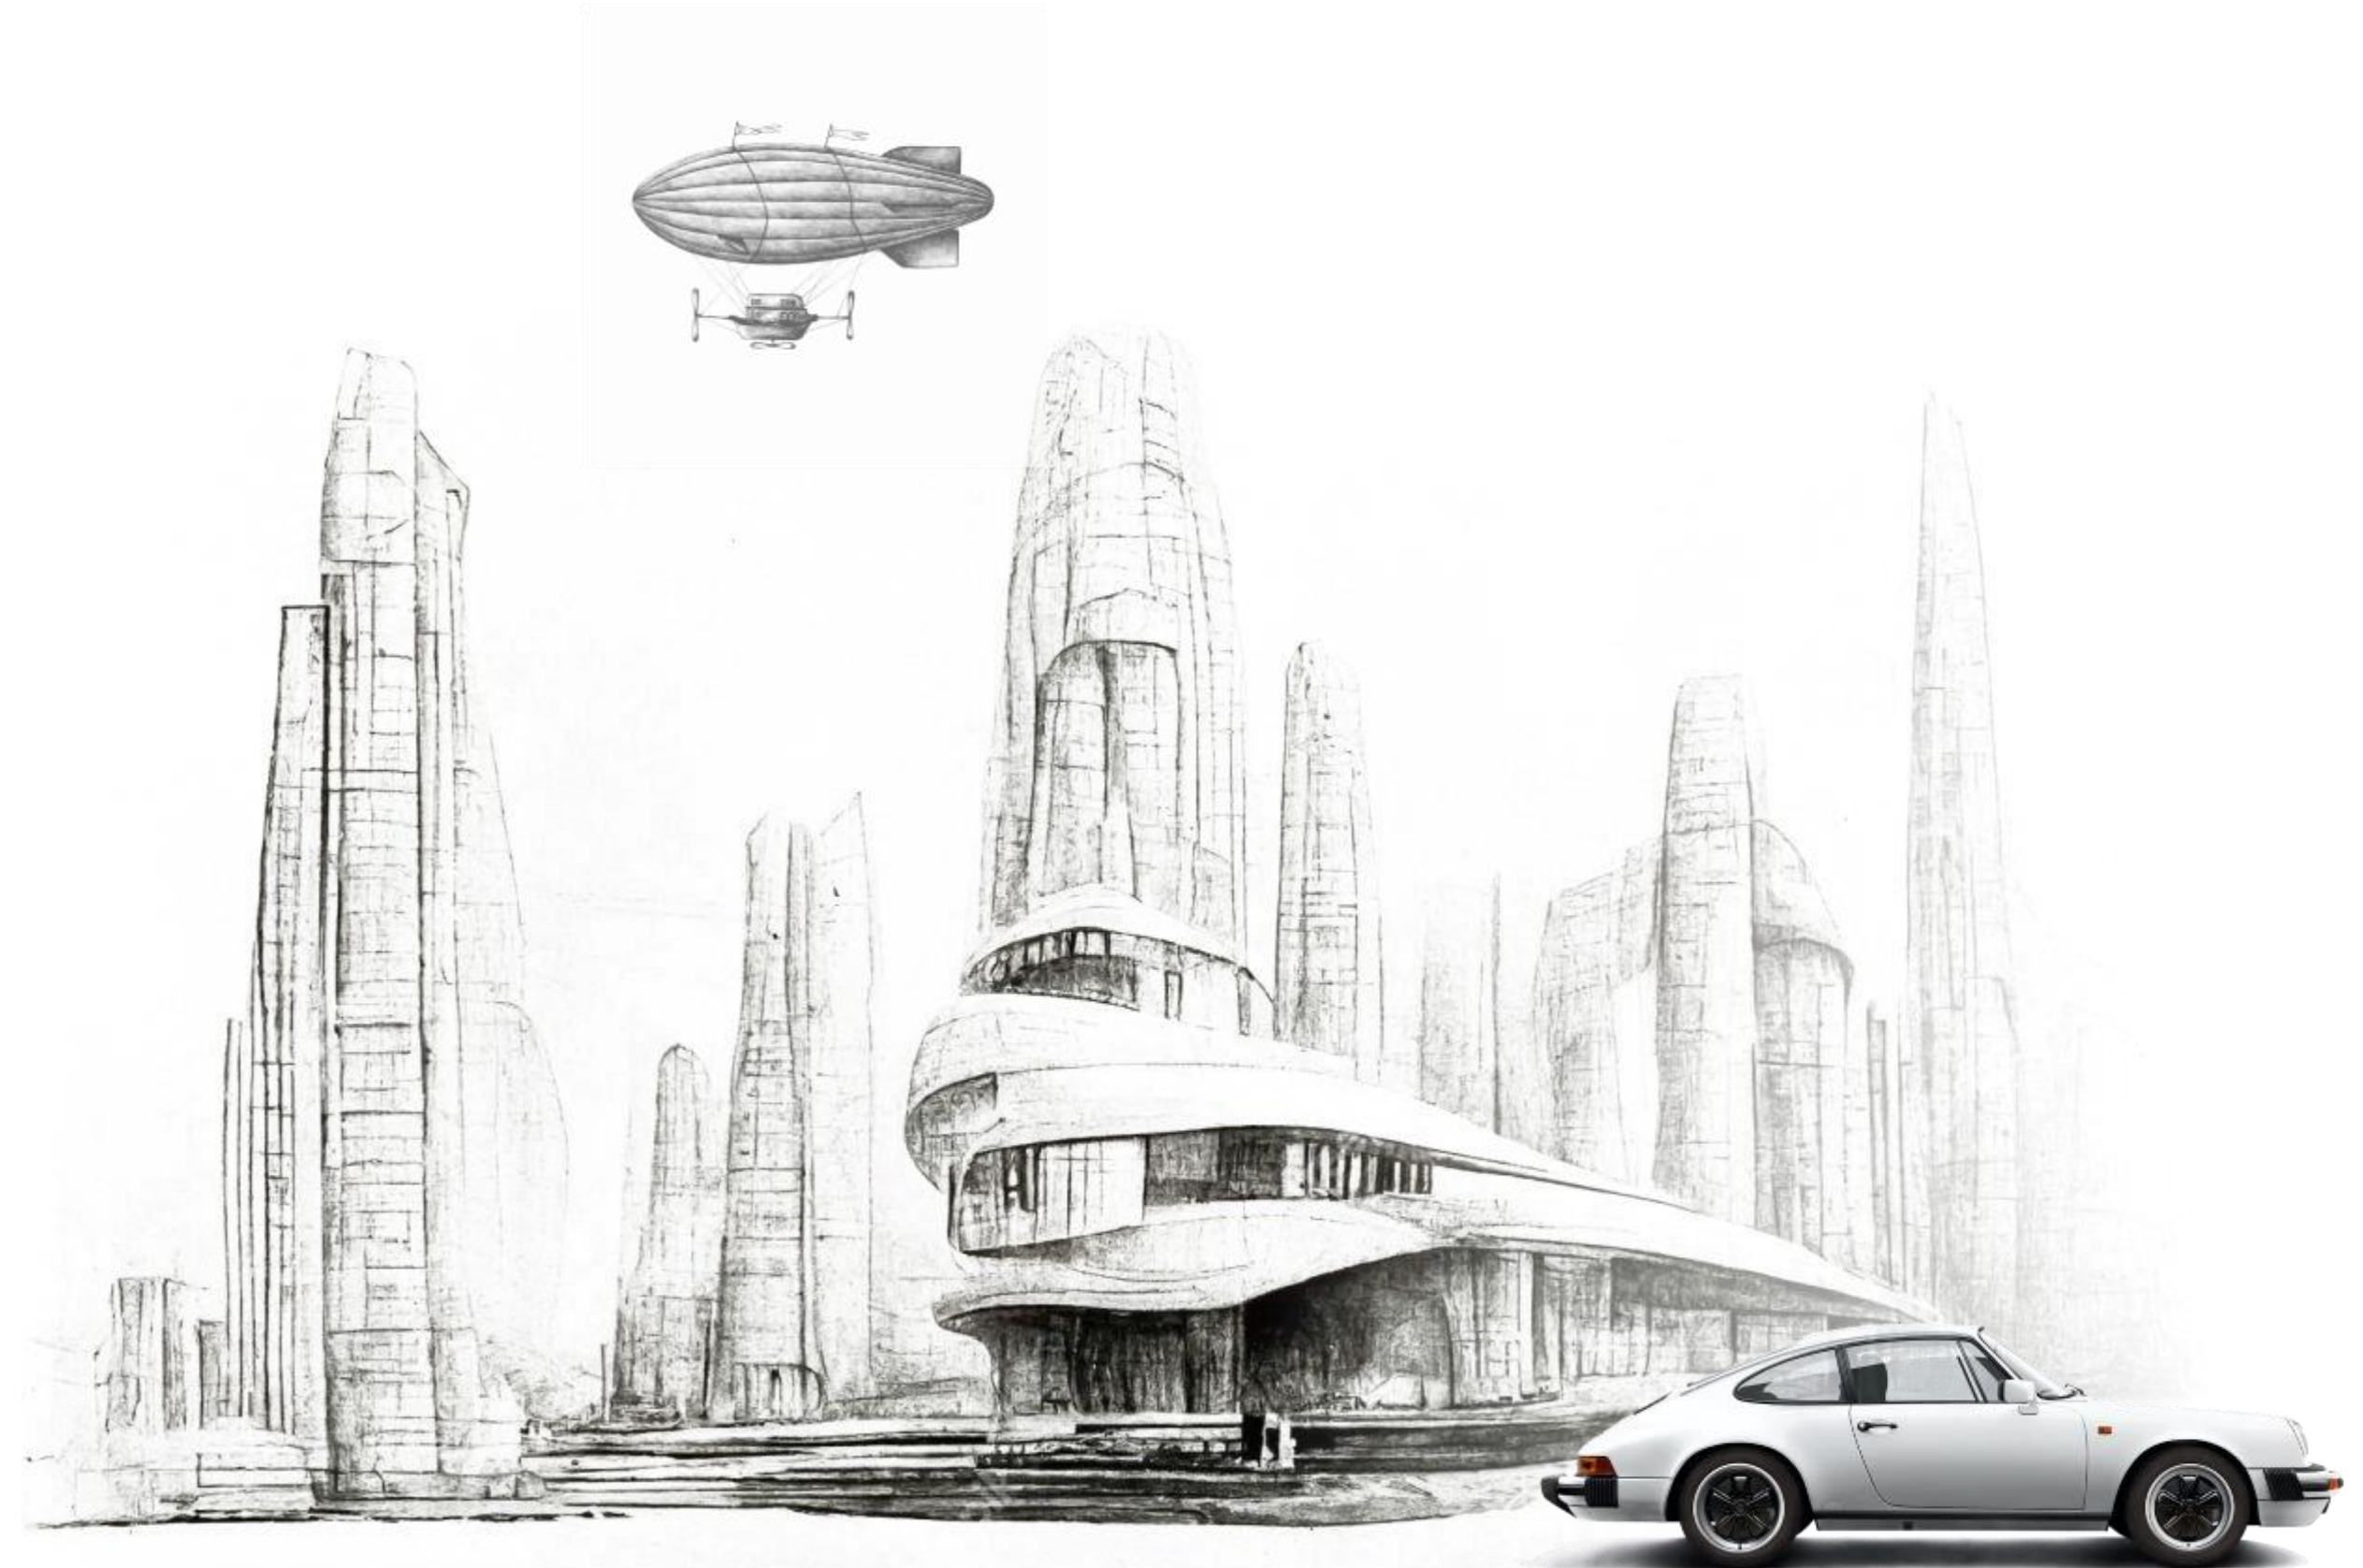

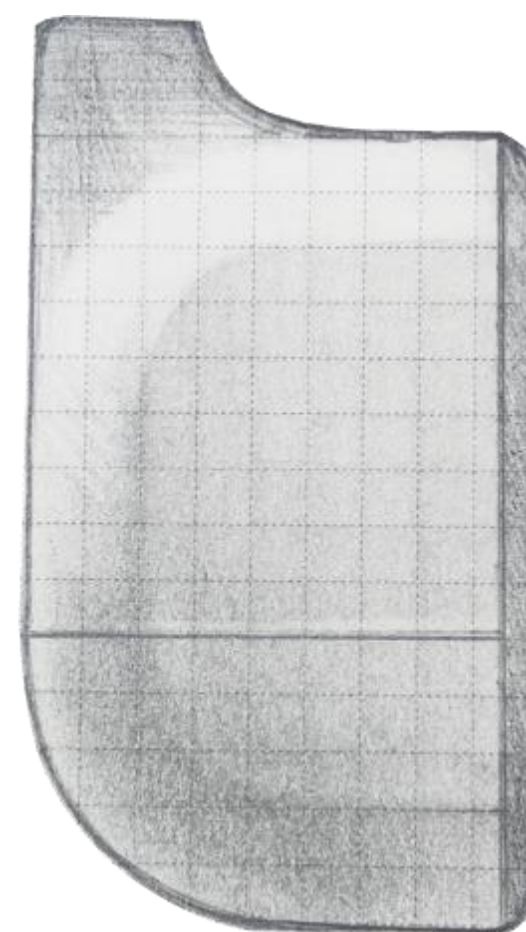

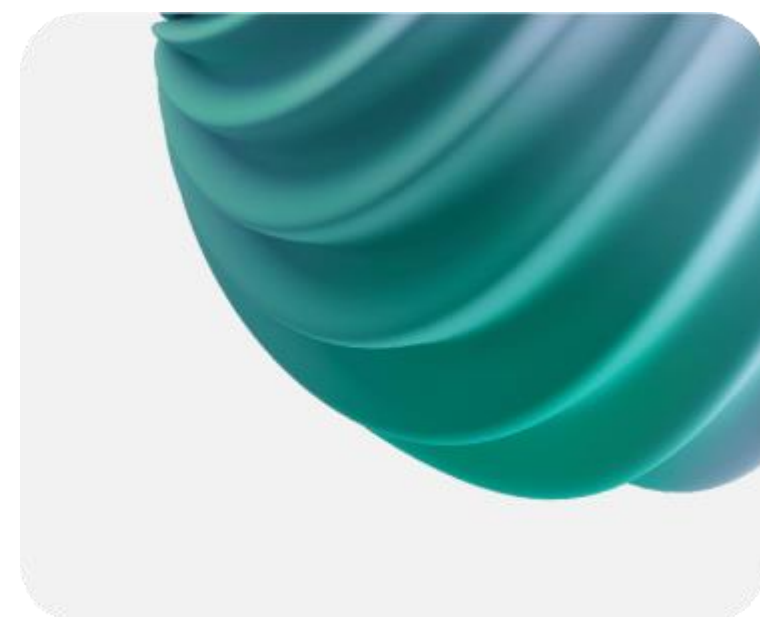

Battery: 650mAh

With a built-in rechargeable 650mAh battery, Flonq Max provides a long-lasting lifespan and maximum device efficiency, offering up to 12 000 puffs over the entire usage period. You won't have to worry about constantly recharging or replacing batteries, allowing you to fully enjoy your vaping experience.

## The expression of style

The design of the device is inspired by the impressive shapes of old dirigibles and high-tech cars and wheels.

Flonq Max Smart's unique design blends vintage and modern elements. It features a streamlined shape, a shape, a lightweight monolithic body, and a vibrant vibrant colour accent for a personalised expression expression of taste.
