

Endorsement by Jocelyn Dyer, Advisory Neighborhood Commissioner ANC 3C08

"I'm writing to urge you to consider voting for **Rick Nash for ANC 3C08**.

As many of you know, the boundaries of ANC 3C08 have changed, and our new single member district reaches from Observatory Circle to north of the Cathedral and encompasses Massachusetts Avenue Heights, as well as parts of Cleveland Park and Woodley Park.

Rick is a long-standing resident of Cleveland Park and has a breadth of experience in neighborhood issues, including improving safety, protecting green space, investing in schools and infrastructure, and promoting balanced growth in the area. During our recent neighborhood meeting about the Embassy of Kosovo's application to transform a home on 36th Place into a chancery (a potential development overwhelmingly opposed by those in attendance), Rick listened and understood the relevant issues and offered thoughtful suggestions for the neighborhood's response. This is just one example of why I think Rick's years of relevant experience and his pragmatic and collaborative approach will make him an effective ANC representative for our neighborhood."

Jocelyn Dyer
Commissioner, ANC 3C08
