Needs Acknowledgment Form

08/12/20

Dear Paramount Academy Families,

Beginning Monday, August 17th Paramount Academy will be holding Onsite Support Services and In Person Learning. This is to support and file the need(s) that both our families and students have during these difficult times. In following with Governor Ducey's Executive Order 2020-51 Paramount Academy has put in place a "School Mitigation/Re-entry Plan" that can be accessed on our school's website.

By signing this form below, you are declaring that you and/or your child has a need that allows them to return to Paramount Academy for Onsite Support Services and/or In Person Learning. Although things will look and be a little different this year, we are excited about the 2020-2021 school year!
