

Taunton Motoring Club – Club All Rounder Championship 2026

The championship is organised to encourage Taunton Motoring Club (TMC) members to participate in and contribute to the running of TMC events and to recognise members who have made an outstanding effort during the year.

The championship will run from 1st January to 11th December. Awards will be presented at the annual Christmas meal and award presentation and are as follows: 1st place - a perpetual trophy, award & Demon Tweeks voucher for £50; 2nd place – award & £20 DT voucher; 3rd place – award & £10 DT voucher.

Only TMC members can score points and only on events in the TMC calendar where members can compete with a club card plus the free MSUK RS Clubmans competition licence (where the event regulations require this)

All events will count towards the scores, but the summer driving skills events will be limited to the members/organisers top 5 scores. Organisers cannot claim points for organising and competing on the same event. Scores can be back dated, but only to the date that TMC membership was taken out.

There is no need to register for the championship, but proof of current TMC membership may be required. Matt Hannon will act as the CAR Championship co-ordinator and will keep a tally of scores. Organisers of TMC events will submit scores to Matt Hannon within a week of the event.

Disputes will be resolved by a panel consisting of the championship co-ordinator, the TMC Chairman/Vice Chairman plus 2 other committee members.

Points Awarded as follows:

Competing in TMC run events	Scoring for all events:	
Treasure Hunts	1 st	6 points
