ABOUT US

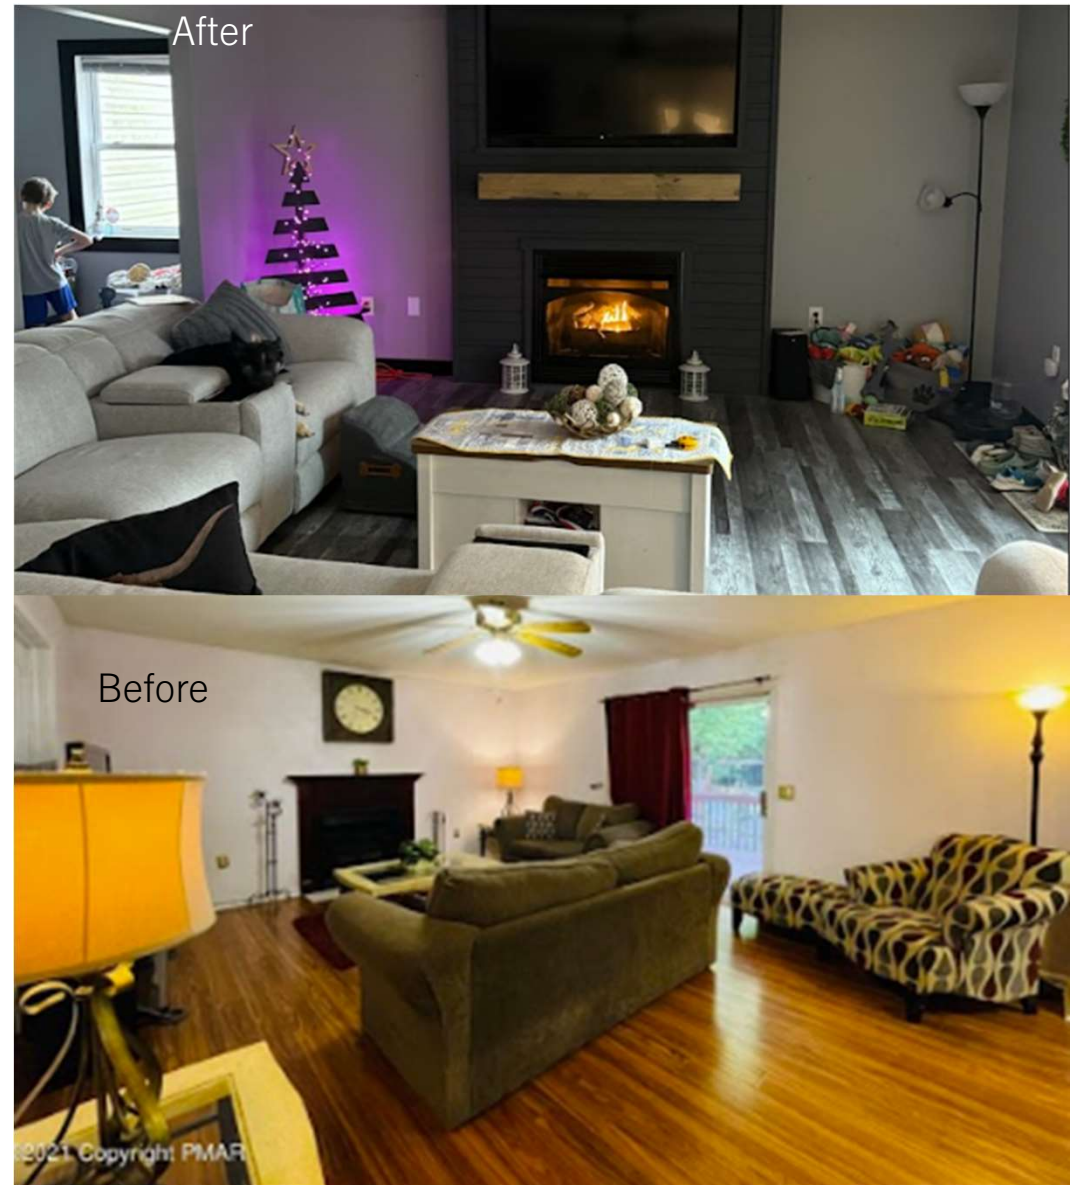

Veteran Owned Business

- Our founder Mychal Toombs served in the Marine Core. After his service he worked with different companies, doing installs and driving truck.
- In April 2024, Mychal decided to create his own General Contracting Company in the Pocono Mountains Called MT Wood Works. Named for his love of wood working.
- Now MT Wood Works has become the Poconos Leading Home Remodel company and has remodeled several projects ranging from \$5,000 budgets to over Six Figures.

HOME REMODELING

Home Remodeling is not an easy process, but with the right partnership it can ease the pain and deliver amazing results! At MT Wood Works we believe that it is a partnership with our clients to deliver their dream. For the best results, we found that constant communication and check ins are key, while delivering all the news.

DECKS AND PATIOS

At MT Wood Works we love delivering beauty with all aspects of the home. Outdoor decks and patios are always fun and add a look that can bring your house to life!

LARGE REMODELS

Large Remodels have tons of moving pieces. (We are aware!) MT Wood Works has developed a network of professionals to assist us, so we can overcome almost all challenges. This ensures we can bring your vision to life!
