**Mission Statement**

*We are Catholics of Mother of Perpetual Help Parish in West Allis, Wisconsin. We encounter Jesus and grow as disciples through the Sacramental Life of the Church. We seek to proclaim the joy of the Gospel of Jesus Christ through His life-giving and saving Death and Resurrection. We are called and sent to form new disciples through our worship, our service, and our witness, to share the joy of living the Good News in the world today.*

**Prayer for Our Parish**

Mother of Perpetual Help,  
you have been our refuge from one generation  
to another.  
Intercede for us now with your Son Jesus.  
Help our parish to be an instrument in the  
hands of God.  
Unite and guide us as people of Faith, to  
become more like Jesus.  
May our worship give glory to God.  
May our service find its model in your  
discipleship.  
Make us living witnesses of unfailing hope in  
our troubled world.  
Mother of Perpetual Help, pray for us.  
AMEN

## GOD'S WORD

When we are tempted to think we go it alone, when we doubt that God will hold us up and sustain us, we should take another look at the Scriptures for this 17th Sunday in Ordinary time. They are yet one, more clear directive to believers of how to live. Bear with one another, strive for humility and patience, preserve unity among us and trust that the Lord will feed and sustain us. When we feel overwhelmed and the path forward is not clear, we must not forget that our work is really the Lord's and he will provide what we need.

**2 Kgs 4:42-44** Trust that the Lord will provide.

**Eph 4: 1-6** We must live in a manner worthy of our call.

**3 Jn 6:1-15** We will be fed by the bread of life.

# FROM THE PASTORS' DESK

## Introduction:

Today's readings invite us to become humble instruments in God's hands by sharing our blessings with our needy brothers and sisters. They are about hunger and food and about how we can satisfy the deeper hunger of our life. They remind us that if we and our country are blessed with an abundant food supply, we have to share it with the hungry people and poor countries. Once physical hungers are satisfied, then we are challenged to satisfy the deeper hungers, for love, mercy, forgiveness, companionship, peace and fulfillment.

## Scripture Lessons:

The first reading tells us how the prophet Elisha, by invoking God's power, fed one hundred men with twenty barley loaves. Elisha relies not on what he has but on what God can do with what Elisha received as a gift. This miracle foreshadows the Gospel account of Jesus' miraculous feeding of the crowd who followed him to hear his words. Today's Responsorial Psalm (Ps 145) tells us that God will feed us, satisfying all the needs of the people who love him. The Refrain reminds us, "The hand of the Lord feeds us; He answers all our needs." In the second reading, St. Paul reminds the Ephesians that Jesus united the Jews and the Gentiles by bringing them together as Christians in one Faith and one Baptism, allowing them to become one by eating his body. Hence, they have to live together, helping each other by sharing their blessings. Paul urges us to become communities of sharing Christians. Jesus' miraculous feeding of five thousand people by using five barley loaves and two fish, as described in today's Gospel, was associated with the Holy Eucharist early in the Church's tradition. The people immediately interpreted the miracle, giving Jesus two Messianic titles: "The prophet" and "the one who is to come." This miracle teaches us that God works marvels through ordinary people. Elisha's servant and Jesus' disciples distributed the bread provided by God through generous people who were willing to share their food with the hungry. Thus, God meets the needs of people through the good will and services provided by members of His community.

## Life Messages: A challenge to generous sharing:

- 1) The Gospel account teaches us that Jesus meets the most basic human need, namely hunger, with generosity and compassion.
- 2) Today's readings also tell us that God really cares about His people, and that there is enough and more than enough for everybody. Studies show that the world today produces enough food grains to provide every human being on the planet with 3,600 calories a day, not counting such foods as tuber crops, vegetables, beans, nuts, fruits, meats, and fish. Hence, let us pray and work for better social justice in all communities and countries.
- 3) As Christians we need to commit ourselves to share and to work with God in communicating His compassion to all as the early Christians did. God always blesses those who share their blessings and talents with loving commitment. We can begin our own humble efforts at "sharing" right in our parish by participating in the works of charity done by organizations like the St. Vincent DePaul Society, the Knights of Columbus, etc.
