3RD SUNDAY OF EASTER

MISSION STATEMENT

We are Catholics of Mother of Perpetual Help Parish in West Allis, Wisconsin. We encounter Jesus and grow as disciples through the Sacramental Life of the Church. We seek to proclaim the joy of the Gospel of Jesus Christ through His life-giving and saving Death and Resurrection. We are called and sent to form new disciples through our worship, our service, and our witness, to share the joy of living the Good News in the world today.

PRAYER FOR OUR PARISH

Mother of Perpetual Help, you have been our refuge from one generation to another.

Intercede for us now with your Son Jesus.

Help our parish to be an instrument in the hands of God.

Unite and guide us as people of Faith, to become more like Jesus.

May our worship give glory to God.

May our service find its model in your discipleship. Make us living witnesses of unfailing hope in our troubled world.

Mother of Perpetual Help, pray for us.
AMEN

3RD SUNDAY OF EASTER

WEEK AT A GLANCE

Temporary Administrator

Leadership has been in touch with the Vicar of Clergy for the Archdiocese regarding the appointment of a temporary administrator for our parish.

We are pleased to inform you that Father Alan Jurkus has agreed to serve our parish on a temporary basis until June, when we anticipate the Archbishop shall install a new pastor/administrator. We welcome and thank Father Alan for his willingness to minister to us in the months ahead as we work together to fulfill Fr. Jeff's vision for Mother of Perpetual Help Parish.

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

April 18, 2021
3rd Sunday of Easter

We often act out of ignorance. Armed with the best of intentions, we think we are seeing clearly and correctly, but we are not. We don't always understand the full meaning of things and only perceive part of the truth. Hence, our judgments and actions can be impaired by myopic, incomplete or erroneous perceptions. The meaning of life, understanding of human experience, and negotiating life's challenges can all become skewed without proper understanding and vision. The resurrection of Christ is the corrective to our incomplete and limited view of life. Looking at things with the eyes of faith brings a depth of clarity and understanding to how we see God, ourselves, others, and the world.

Even the disciples struggled with their limited understanding and ignorant perceptions. It was only when Jesus opened their minds to understand the Scriptures that their eyes were opened. It was their "aha" moment when everything clicked. We all want the substance of our lives to come together, make sense, and have meaning. This is easier to achieve when things are going positively, and life is good. It is when suffering, disappointment, death, hardship, and injustice enter the picture that things can become unsettled and disoriented. Our faith in the goodness and love of God is tested. We tend to shift our focus on these difficult and challenging moments and do not see them within the greater picture of how God intends life to unfold. We can gain, from the passion and resurrection of Christ, the clear vision we need in order to move away from ignorance to enlightenment.

We need our "aha" moment when everything comes together and clicks. It can come in a fleeting instant when we feel totally connected with God, where we find ourselves, others and all of creation. It is a moment when all is right and good, regardless of how difficult our journey. Our "aha" moment assures us that God is here, right with us, in us and around us bringing us a gift and blessing we can receive nowhere else: peace. In those brief sacramental encounters when we are lifted up out of ourselves and centered, we can hear God say, "peace be with you," and we feel secure. It's all okay. The resurrected Christ has the power to bring this gift to us. Some people, as they are facing their deaths, remark about this peace. When looking into the window of eternity, they experience a depth of joy and are amazed at God's goodness and closeness. We are called to be witnesses to this Good News.

WEEKDAY MASSES

Monday, Wednesday and Friday morning Mass will be celebrated at 8 AM at 106th Street site. Tuesday Mass will be at 8:15 AM at the 116th Street Site and at various times throughout the year we will be joined by the school children.

We are delighted to have more students back to in person learning than at any other point in the school year. The Seton Catholic Schools network has done an amazing job of guiding our COVID safety plan with CDC updates and one of those is that we can accommodate more students! Now that most of our staff is now fully vaccinated, we are trying to bring back as many students as safely possible to accommodate. I want to ask our parishioners to say a special prayer for our students who will begin their Wisconsin Forward State Assessment on Monday. While it is only a snapshot, it is a big assessment for them. Any and all prayers for them would be much appreciated. Lastly, we still have several openings for next school year. Please send any friends, family members or neighbors our way.

In peace,
Jen Vega

A TIME TO UNITE

Even as we continue to mourn the death of Fr. Jeff, there is a need to continue implementing the comprehensive master plan for Mother of Perpetual Help which the Archdiocese approved; the vision of moving us forward on our journey to be the Presence of Jesus in our West Allis community, the vision Fr. Jeff was committed to bringing to fruition. Part of that vision is to plan closing masses at each of our current three sites and to move to one worship site beginning July 5th. In light of Fr. Jeff's death, the Archbishop has asked that we reschedule the July date to September 13th (the 5th is Labor Day weekend) in order to give the new pastor, who will assume his position in June, time to familiarize himself with our parish and plan for the transition.

The rescheduling in no means should be misconstrued, the merger of Mother of Perpetual Help to one worship site is not up for reconsideration. The Archbishop has again, in the past week, reaffirmed his support for the move to one site for all the reasons which have been presented in the past. Change is always difficult but as Pilgrim Christians, we are called to be open to the guidance of the Holy Spirit.

In the end, church is not about buildings or property, but about being God's holy people, celebrating Eucharist together, and bringing Jesus to all. During this transition time we will begin working with our leaders to organize some of our ministries. A committee, working on a volunteer basis (as all our committees do), is working on assembling statues, icons, and other liturgical artwork from all three sites, to be incorporated into our new worship space: honoring the past, while experiencing a rebirth of our Catholic Community.

Soon we will have a committee planning the closing mass for St. Al's to take place in April/ May and moving the 7:00 p.m. mass to our worship site at 106th street.

In other parishes which have made similar transitions most have done so with trust and faith in God and have been very successful. A few parishes have had some members who experienced anger, threats of disengagement, and divisive actions. In the end, time proved to bring them healing. It is our hope that we will all embrace this part of our parish journey with charity and understanding; that we remember Fr. Jeff's courage as he faced death and his words "I am not afraid, I am in God's hands". Now, it is time for us to move forward with that same courage, with trust and confidence that Jesus is in charge and He is continually calling MPH to be a unified, loving, serving, faith community.

Adorers - Please Note

Until we are able to return to our Chapel, I am asking all Adorers to share their email addresses with the Adoration Committee. The number of funerals this year has necessitated many phone call cancellations, and we are trying to reach everyone with this information so no one is inconvenienced. Your email will NOT be shared by the Adoration Committee, and only used to notify you of your day's cancellation. Your cooperation in this matter is greatly appreciated. Please send your email address to:

Thank you.

How to Fail Your Way to Heaven

You know what are some of my favorite moments in Scripture? The little “Easter eggs” of Jesus’ humanity, things like Jesus falling asleep, Jesus drawing in the sand, Jesus playing with kids. And how about Jesus rising from the dead, appearing to his disciples and saying, “So, have you got anything to eat?”

It’s right for us to always keep in mind that Jesus is God. But we also have to remember that he was man. He got hungry. He cried when he felt sad and laughed when he felt happy. He got tired. He got bored.

Because he was God, none of those feelings ever led him into sin, like they do us. He never spent a car ride trying to pass the hours by seeing how annoyed he could make his older sister. He never smacked Peter over the head for saying something really stupid. But he did unleash some Biblically righteous anger on those traders in the temple, didn’t he? And he wasn’t shy about calling Peter “a Satan” when his friend tempted him to take the easy way out.

It’s the tightrope walk we all try to balance every day, honoring our human emotions while still answering God’s call to be better. Being perfect isn’t the domain of the Christian — that’s the domain of Christ only. Trying and failing, then trying again (and failing again) and again and again? That’s the domain of the Christian.

— Tracy Earl Welliver, MTS

“The most powerful thing we can do on this earth with our time is to spend it in Eucharistic adoration. Nothing can do more to change the world, to bring about peace, to convert hearts, to make reparation for the many evils committed.

Spending time in prayer may seem, on the outside, to be a passive thing; however, it is anything but! Our world is in desperate need of hope, of renewal, of a ‘turning back’ to the things of God. By visiting Our Lord in the Blessed Sacrament, we take up the best weapon for the battles of our age and contribute to the healing of our culture.”
(The Poor Clares of Perpetual Adoration, Saint Joseph Adoration Monastery, Charlotte, North Carolina, *Manual for Eucharistic Adoration*, Tan Books, 2016).

You are most welcome to stop in church for a visit or a few minutes of prayer. If you have any questions, please call Grace Elliott, 262-786-3840.

Safe Environment Awareness Week April 18th –April 24th

The Archdiocese of Milwaukee recognizes April 18th –April 24th as Safe Environment Awareness Week. Each year in the month of April, which is recognized around the country as child abuse prevention month, we dedicate a week to elevating the general awareness of the Church’s efforts to keep our children safe. We want people to know that we are committed to maintaining safe environments in our parishes and schools through adult child abuse prevention training; criminal background checks for all clergy, volunteers working with minors, and employees; safety training for children in each grade level; and adhering to all mandatory reporting requirement laws.
