***Mission Statement***

*We are Catholics of Mother of Perpetual Help Parish in West Allis, Wisconsin. We encounter Jesus and grow as disciples through the Sacramental Life of the Church. We seek to proclaim the joy of the Gospel of Jesus Christ through His life-giving and saving Death and Resurrection. We are called and sent to form new disciples through our worship, our service, and our witness, to share the joy of living the Good News in the world today.*

**Prayer for Our Parish**

Mother of Perpetual Help,  
you have been our refuge from one generation  
to another.  
Intercede for us now with your Son Jesus.  
Help our parish to be an instrument in the  
hands of God.  
Unite and guide us as people of Faith, to  
become more like Jesus.  
May our worship give glory to God.  
May our service find its model in your  
discipleship.  
Make us living witnesses of unfailing hope in  
our troubled world.  
Mother of Perpetual Help, pray for us.  
AMEN

**Anointing of the Sick** Until further notice, individual anointing may be requested by calling the pastor.

# FROM THE PASTOR'S DESK

Dear Members of MPH,

Just a quick note to update you on my situation. This past week I had another procedure to free up my left kidney from more stones and repair some damage done by the first attempt. As my kidney function gets better, things can move forward in the transplant area.

I should be finished with the evaluation for a possible transplant in the next two weeks. In the meantime, I continue to go about every other week to have fluid removed from my 'insides' which always produces several good days.

Thanks again for all your prayers and concern and understanding. Together we await the coming of our Savior, allowing the light of His love to brighten our way this Advent time.

Fr. Jeff

### GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

**December 6, 2020  
2nd Sunday of Advent**

People knew over a year in advance that the Pope was coming for a visit to America and the preparations began. Security, space limitations and requirements, protocols, crowd management, itineraries, invitations, regulations, and so much more was necessary to pull this event off effectively. It's not every day that we get a visit from such a prominent dignitary. Thought, effort, meticulous attention to detail and vision all are necessary to make this thing work. After all, he can't just show up in the ordinary and normal daily routines of life and catch people unprepared! Tickets have to be purchased, buses rented, hotel rooms reserved, and travel arrangements made early because it will be impossible to see him if we wait too long!

We do this kind of preparing not only for prominent religious figures but for political dignitaries, notable sports figures, people of fame, and even actors. If an individual intrigues us, we are going to want to do all we have to do to get a "good seat" in the house. Does Jesus Christ captivate this much of our attention? We are asked to prepare the way of the Lord and to do so not with frantic frenzy but patient enthusiasm. We do not have to stand on a street corner making profound announcements about God's coming or become overly zealous in our embrace of the Good News. Our task is quieter, more interior, captivating, and consuming. We are asked to change. We have to conduct our lives with holy devotion.

Is the cost of that ticket too much for you? Don't you want the "best seat" in the house? You don't want to miss Our Lord's arrival when he comes, do you? After all, if he comes while you are going about your daily routines without you even knowing, he may catch you off guard. Or, he may come in disguise looking like a beggar, a prisoner, migrant, refugee, or someone who is lost. Would you be ready to recognize him then? Preparing for the coming of Christ requires a change of mind, heart, and behavior. It is not adequate to simply do the things we always do. We want our lives to speak of the exciting news of Christ's coming and the joy that the Gospel brings. It has to do with our demeanor, values, priorities, choices, and how we structure daily routines. Of course, it involves sacrifice. All anticipations do! Are you excited, captivated, enthusiastic, and sitting on the edge of your seat eager to celebrate his coming among us at Christmas, and waiting for him to come again? If not, why not?

**Thank You**

Advent will be celebrated a bit differently this year. Because we are in 'remote learning' mode, we will miss the opportunity to prepare and celebrate with the students; however, we will continue to teach them about the joys of Advent and the message of hope as we prepare for the birth of Christ. Our transition to remote learning has been relatively smooth. We miss having children in the building, but have been quite pleased with the attendance in virtual lessons. We have had a few typical issues with technology, but for the most part, students are present and engaged in their classes. We will do our best to keep them engaged and moving forward in these 5-1/2 weeks of remote learning. Thank you for your continued prayers for our school community during this time of remote learning and advent.

Dear Brothers and Sisters,

Soon, you will receive a large postcard with information regarding our Christmas Masses.

- \* We will have 6 masses, three on Christmas Eve and three on Christmas Day. It also lists the location for each celebration.
- \* As space is limited, it will be necessary for you to call in to the office to reserve your space(s), and to tell us which mass you will attend. Our capacity per Mass is 150 people at 116th and 106th and 200 at 92nd Street.
- \* The usual safeguards will remain in place. +To enter any of the buildings YOU MUST wear a face covering. They are available at the entrances of each building if you do not have one. +Members living in the same household may sit together. +Seating areas in each Church are clearly marked as they have been. Hand sanitizer is also available.
- \* The 4 PM mass will be recorded and broadcast shortly after on the Parish YouTube channel for those who are unable to attend mass because of personal circumstances/health concerns.
- \* If you are unable to be with us, consider making one of the broadcast masses part of your Christmas celebration alongside your planning for the day.
- \* These are, as we so often say, challenging times, but we must always remember that God is on our side. No more so than when we remember the greatest gift we have ever been given; the birth of His Only Begotten Son, His Holy Church, the Sacraments and the gift that we are for one another.

Peace,

Fr. Jeff
