2021

MISSION STATEMENT

We are Catholics of Mother of Perpetual Help Parish in West Allis, Wisconsin. We encounter Jesus and grow as disciples through the Sacramental Life of the Church. We seek to proclaim the joy of the Gospel of Jesus Christ through His life-giving and saving Death and Resurrection. We are called and sent to form new disciples through our worship, our service, and our witness, to share the joy of living the Good News in the world today.

PRAYER FOR OUR PARISH

Mother of Perpetual Help,
you have been our refuge
from one generation to
another.

Intercede for us now with
your Son Jesus.

Help our parish to be an
instrument in the hands of
God.

Unite and guide us as people
of Faith, to become more like
Jesus.

May our worship give glory
to God.

May our service find its
model in your discipleship.
Make us living witnesses of
unfailing hope in our
troubled world.

Mother of Perpetual Help,
pray for us.
AMEN

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

**February 21, 2021
1st Sunday of Lent**

St. Oscar Romero said, "Aspire not to have more, but to be more." These powerful words provide the perfect framework for a conversion oriented Lenten experience. God is giving us this Lenten sign to stop being concerned about what you have and focus on who you are. This requires that we create a desert space and listen more attentively for God to reveal His presence. It is all so wonderfully simple on the one hand and so incredibly challenging on the other. The message is simple: love God, neighbor, and self. Those simple words make great sense, but we struggle translating them into reality. Our attachments, compulsions, obsessions, addictions, routines, and busyness all anchor us to the "idol of the self," keeping us mired in our compulsive need for self-aggrandizement. It's not about us!

God vowed, long ago, to nurture, sustain and protect the relationship He has with His people. He called us into being, nurtures us in being, and sustains us in being. Without the Loving Divine Presence, all life would cease. Once we slow down a bit and clear away some of the clutter, we can see how the journey of our life is unfolding. We can see what brings us in and out of tune with God's love and how we can better imitate God's loving fidelity in our relationship with Him. In short, we will see our myopic short sightedness and figure out how we can better share the Divine Fire within with others. Lent isn't just about giving stuff up for forty days and indulging again at Easter. We need to push things much farther and wrestle with the question of how we can be more. "Being more" means becoming more fully alive and in touch with the holiness of life and the divinity that lives in and empowers all beings and things. It is realizing that the "quality" of our presence is crucial to being an effective witness and herald of God's unconditional love.

The illusion we have bought into causes us to believe that the wrong things and systems matter. We tirelessly fight to keep things the way they are, to return to the former ways of doing things or restore some nostalgic fantasy memory of "life in the good old days." Lent isn't about maintaining what we have or returning to something that is gone. It's about becoming something new. It's about being more focused, centered, convicted, and grounded so that we can be a person who truly loves and treasures being made in the image of God. The secret to Gospel living is not found in accumulating anything for ourselves, even merit points for heaven. Gospel living means learning how to live with less so that others can live with more. The thought of permanently giving something up makes us feel uncomfortable. Truth often does.

Attached you will find the photos of last weeks 'lunch winners', Maddy and Mabel. Each week, I select the names of two students who met their goals in their tech programs and buy them the lunch of their choice. It is a small gesture to encourage continued progress toward goals, even amidst the challenges that our students continue to face throughout this unprecedented year. We are currently registering our students for either in-person or digital learning for trimester III. I know that many of our students who have been remote all year are anxious to return to in-person learning, so we may have to get a little creative with scheduling. However, we are planning for a return to a 'normal' year for the fall and would love to enroll any friends, family members or neighbors that you know who might be looking for a great faith-based learning environment. Lastly, I want to update you on where we are at with our tuition assistance dollars. At the beginning of the year, we needed \$18,560 to support the students who needed assistance. To date, we have received \$6,763. We are still in need of \$11,797. If you would like to be one of our tuition angels, please reach out to me directly at the school.

Thank you for your continued support and prayers.

The Unlikely Suspects

Have you ever taken a nature walk? Have you leisurely strolled through a forest or field, with no real destination in mind and your only objective being receptivity to and observation of all God's creation?

Sometimes, Scripture readings can feel like a nature walk. All of salvation history plays out against the backdrop of the natural world, with all elements of God's creation — plants and animals and the dust of the earth itself — turning in a supporting performance. How about Jesus in the hot and dusty desert, tempted, living "among the wild beasts?" Noah departed from his ark with the animals he rescued, observing God's sign in the very clouds of the sky. Even God Himself, offering us salvation from original sin through the waters of baptism.

How often do we remember that God speaks to us through all of His creation, even in the unlikely suspects?

Let's go back to the nature walk. It sounds like a lovely way to pass an afternoon, amongst wildflowers and butterflies, but don't forget the beating hot sun, mosquitos, and threat of rain on the horizon. Remember, we're not in heaven yet. Here on earth, God may be present in His creation, but that doesn't mean it's always easy to endure.

Lent is, essentially, a time to listen for the voice of God in places we may not expect: the mild irritations you experience when you're craving the chocolate you gave up, or the dull pangs of hunger during the Ash Wednesday fast. It's a golden opportunity to see the divine hand in all of creation, even those unlikely suspects.

Jesus is infinitely DESERVING OF OUR UNCEASING THANKSGIVING and adoration for all He has done for our salvation. "Worthy is the Lamb that was slain to receive honor, glory and praise." (Revelation 5:12).

You are most welcome to stop in church for a visit or a few minutes of prayer. If you have any questions, please call Grace Elliott, 262-786-3840.

LENT AND ADORATION

So...what are you sacrificing for Lent? Chocolate? Cheeseburgers? Exercising? (kidding) How about doing something instead?

We have the perfect opportunity for you. Mother of Perpetual Help (106th St.) has Eucharistic Adoration 4 days per week, so you can choose whichever day fits into your schedule.

"If we could see just a fraction of the graces available before the Blessed Sacrament, we would flock to the nearest chapel each and every day for Eucharistic Adoration".

- Secrets of the Eucharist, Michael Brown

Maybe you've already taken advantage of our invitation to join us for an hour or whatever time you have. But to make a commitment for the purpose of giving up some time to spend with Jesus this Lent is far better than any material item you could "give up". Just remember—He is always here for you. This could be your best Lent ever!
