## REFLECTIONS FROM FR. MATTHEW

### “In the name of the Father, and of the Son and of the Holy Spirit”

Today we celebrate the Feast of the Holy Trinity. The fundamental dogma, on which everything in Christianity is based, is that of the Blessed Trinity in whose name all Christians are baptized. There is one God and in this one God there are three Divine Persons; the Father is God, the Son is God, the Holy Spirit is God. Yet there are not three Gods, but one, eternal, incomprehensible God!

At the beginning of our Christian lives, at baptism, we are named for them; at the beginning and end of each Eucharist we sign ourselves with their memory; when our bodies are signed in death, we hope they claim us, when we bless our children, we remember the creativity of the Trinity shares with us. All these moments of naming the Trinity are occasions of life and love. The sign of the cross and the invocation of the Trinity, is prayer statement that we belong to the Father, Son, and Holy Spirit and are called to live in communion with them.

In the short reading from John's gospel today, part of the last supper discourse, Jesus speaks about the Spirit. We celebrated that great feast of Pentecost last Sunday and reflected on the gifts and fruits of the Holy Spirit that unite and sustain us as the Christian community. The Spirit reminds and teaches us all that Jesus revealed to us. The Spirit guides the teaching, interpretation, and witness of the Church throughout the ages.

As we celebrate the Most Holy Trinity today, we celebrate a God who always reveals more of God's self to us. We celebrate the eternal relationship between the Father, Son, and Holy Spirit, who is dwelling within us through our baptism. As we are created in the image and likeness of this Triune God, we take part in this relationship of love that is constantly poured and shared between us. We hear this in today's second reading: "The love of God has been poured out into our hearts through the Holy Spirit that has been given to us." When we respond to this love and share this love, we actively participate in the mystery of the Trinity.

## GOSPEL MEDITATION ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

**June 12, 2022**  
**The Most Holy Trinity**

In creative celebration of the Most Holy Trinity, pray a rosary with creation. Find a quiet place outside or sit near a window. Contemplate the amazing Divine Gift that is before you. Admire it. Study it. Become one with it. Ask for the guidance of Brother St. Francis as you pray: *“You, Holy Father, are King of heaven and earth. You are three in one, God above all gods. You are good, all good, and supreme good, Lord God, living and true. You are love. You are beauty. You are gentleness. You are joy. You are hope and happiness.”* Admire the wonder and majesty of God in all that is around you. Ask for wisdom and understanding.

Begin each decade with the Our Father and conclude with the Glory Be.

**Decade one:** Contemplate God the Father. As you pray each bead with a Hail Mary, get lost in the grandeur of all that you see. Imagine the thousands and thousands of years of history that is before you. Envision a time when nothing existed. What is nothing? Lift your eyes, heart, and soul to the power and magnificence of the universe, its expanse and its endlessness. You are one with it all. God’s creative power.

**Decade two:** Contemplate God the Son. Behold the squirrels, birds, and critters all conducting life’s business. They have heartbeats just like yours. Praying each bead, become one with the incarnate divine life that flows through you and flows with the smallest of creatures. It is holy innocence and blessed life. Tenderness. Compassion, Mercy. Reverence. All want to be held, have a home, and be loved. God in all things. Emmanuel.

**Decade three:** Contemplate God the Holy Spirit. The changing of times and seasons happens often without notice. It is all within God’s care and guided. We all belong. Behold the living, dying, and rising to new life. You are one with all time from beginning into eternity.

**Decade Four:** Contemplate God as One.

**Decade Five:** Contemplate God as three. All different while remaining one. The divine dance is being danced before you. Rest in what you see. Become what you see. We are all connected: God of the Holy Trinity, creation, our brothers and sisters, the animals, and the plants.

The rosary you have prayed celebrates the circle of connectedness and the intimate relationship we share with all things: a glimpse of the Trinity.
