## ***Mission Statement***

*We are Catholics of Mother of Perpetual Help Parish in West Allis, Wisconsin. We encounter Jesus and grow as disciples through the Sacramental Life of the Church. We seek to proclaim the joy of the Gospel of Jesus Christ through His life-giving and saving Death and Resurrection. We are called and sent to form new disciples through our worship, our service, and our witness, to share the joy of living the Good News in the world today.*

## **Prayer for Our Parish**

Mother of Perpetual Help,  
you have been our refuge from one generation  
to another.

Intercede for us now with your Son Jesus.  
Help our parish to be an instrument in the  
hands of God.

Unite and guide us as people of Faith, to  
become more like Jesus.

May our worship give glory to God.  
May our service find its model in your  
discipleship.

Make us living witnesses of unfailing hope in  
our troubled world.

Mother of Perpetual Help, pray for us.  
AMEN

## FROM THE PASTORS' DESK

### GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

**June 7, 2020 The Most Holy Trinity**

A well-choreographed dance can be truly inspirational. Each movement and step are interconnected, each contributing a piece of the unfolding artistic story. The beholder is caught up in the rhythms, music, and gestures, realizing that none are dispensable and all are necessary. The same is true of the Divine Dance of the Trinity. Each Person plays a part, using unique gestures and movements that are connected to the other Divine Partners. They tell a story of love. Every movement and step is born of love and flows on into eternity. The Divine Dance never ends.

God the Creator powerfully, yet with gentle love, leads. Creating and recreating, birthing and sustaining, He dances with the compassionate incarnate Son, guided by the breath of the Holy Spirit. They are three distinct Persons but move as One. On one hand, the cascading flow of their Presence appears motionless, yet on the other, flows and moves with effortless attention. They share one heart, one goal, and one purpose and invite all of creation to join in their dance, their joy.

The energy of the Trinity flows through all created things. It is a dance of the heart, not of the mind. It has to be experienced, not dissected, and contemplated, not understood. We stand in awe of the Divine Dance and find ourselves watching in amazement all that God creates and sustains. The dance continues in the majesty of a mountain, the power and wonder of an ocean, and the vastness of the universe. It moves in the cry of a newborn infant and in the soul of one who has been forgiven. It flows in the cry for justice and in the wounds of the oppressed. It circles through the changing of seasons, the cycles of birth and death, and the wisdom that one acquires when they love God.

The Dance never ends. Its movements and rhythms go on forever. The Trinitarian Dance sustains all things, endures all things, and brings hope. You are invited to dance. Don't just watch as if you were simply a spectator. Join in the dance and move as they move.

### EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

#### Ready for His Return

Where is that guy with the rainbow wig holding a "John 3:16" sign in the end zone at NFL football games? Younger readers may not have any idea what I am talking about! You used to see this guy on TV all the time wearing "Jesus Saves" shirts and holding his sign. Most thought he was a harmless guy, but now he is serving multiple life sentences for taking hostages at a hotel near LAX in 1992. His name is Rollen Stewart and he believed — and continues to believe while in prison — that Jesus' second coming is imminent. His extreme actions were meant to make people take notice and listen to him. Now he sits behind bars, and most in the world see his name as nothing more than an answer to a trivia question.

It is a sad story when people hurt others or use extreme methods in the name of God. Mr. Stewart's belief that simply getting people to listen to his message is the most important step in their salvation is misguided. His poor stewardship should stand in stark contrast to our good stewardship. Our actions, seasoned at times with our words, should be the evidence people need to see the transformative power of Jesus Christ. We do believe that he is indeed coming again. But once you have committed yourself to him and live in his life on earth, when he returns is not our main concern. We are ready whenever that time comes, and hopefully, we can help others be ready as well by our example.

Thank you to the 26 volunteers who have been calling the parishioners of MPH, to let them know that we have been praying for them during the past 10+ weeks. We know a lot of those called didn't answer because they did not recognize the incoming phone number, but for the most part messages were left to let them know who was making the call. We did not call anyone whose phone number was marked as unlisted. We were able to find out who needed prayers either for themselves or for a family member and

were able to pass those requests along to the MPH prayer chain. We were able to answer questions about coming back to church along with many other important questions. Many asked about Fr. Thomas, and if we are going to be able to have a "going away" reception. This question is one that cannot be answered at this time, but we are hopeful that by the time the day comes when he will have to move on, we will have a definite answer. So stay tuned! I would like our parishioners to know that we will continue to keep them in our prayers along with the prayer that this situation will end soon and we will all be back together. I know that MPH will be a much stronger parish when this happens.

May God continue to bless Our Mother of Perpetual Help Parish.

Grace Elliott
