Palm Sunday of the Passion of the Lord

MISSION STATEMENT

We are Catholics of Mother of Perpetual Help Parish in West Allis, Wisconsin. We encounter Jesus and grow as disciples through the Sacramental Life of the Church. We seek to proclaim the joy of the Gospel of Jesus Christ through His life-giving and saving Death and Resurrection. We are called and sent to form new disciples through our worship, our service, and our witness, to share the joy of living the Good News in the world today.

PRAYER FOR OUR PARISH

Mother of Perpetual Help, you have been our refuge from one generation to another.

Intercede for us now with your Son Jesus.

Help our parish to be an instrument in the hands of God.

Unite and guide us as people of Faith, to become more like Jesus.

May our worship give glory to God.

May our service find its model in your discipleship. Make us living witnesses of unfailing hope in our troubled world.

Mother of Perpetual Help, pray for us.
AMEN

PALM SUNDAY OF THE PASSION OF THE LORD

So they brought the colt to Jesus and put their cloaks over it. And he sat on it. Many people spread their cloaks on the road, and others spread leafy branches that they had cut from the fields. - Mk 11:7-8

FROM THE PASTOR'S DESK

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

March 28, 2021

Palm Sunday of the Passion of the Lord

Many struggle with Jesus. Some who consider themselves faithful hail him in their churches but still struggle to figure out what to do with him on our streets. The message is somehow more palatable when it echoes pious renderings and sentiments and involves singing hosannas during worship. It becomes a bit trickier when it gets to the part about changing the way we conduct the business of our lives, becoming more sensitive to the disadvantaged, poor, and marginalized, and living as servants of our Loving Creator. Ultimately, it is a struggle between wanting to be God ourselves and letting God be God as God is. That's why it's so easy to become hypocritical. We, like those who hailed Christ as he arrived in Jerusalem and sent Christ to the cross to die, also talk out of both sides of our mouths. We entertain what suits us at the time and walk away from the rest.

Many neglect God's beautiful creation because they prefer what humans have made instead. Progress isn't seen in preserving and enhancing what God has made but replacing it with something we believe is better and more useful. The earth, flowers, and animals are all expendable if they stand in the way of the "more" we want to achieve. We seek to remove as many obstacles and hurdles as possible in search of the easiest, quickest, and most efficient path we can find. We have created drugs and laws that preserve our free choice, even though it may mean setting aside God's vision and example. Why suffer when we can easily be put to rest? Why endure insult or injury when we can retaliate, eliminate or subdue? Why accept life when it is acceptable to choose otherwise? We want to be God and resist accepting the fact that our real Creator has already given us the blueprints for the life we need to live in the Beatitudes and in the example of his Passion. We don't like being stewards and managers and really want the power to do as we wish and desire. We want to create our own way.

Where has the true, effective Christian voice been through all of the wars and violence, prejudice and unjust conquests, abuse of human beings and attempted extinctions of nationalities, the establishments of procedures and protocols that serve only a few and not the many and all of the injustices and exploitations that are a part of our human history? A few courageous prophets have stood up and out throughout all of the comings and goings of our human journey with many receiving the same fate as the Crucified One we hail this week. Some still walk among us as shining stars showing us how it really can be. How would Jesus' journey have ended if he lived life as we do? Unless we encounter the good with the bad, the just with the unjust, the grace with the sin, the glory with the cross, the death with the life we most certainly risk rendering God obsolete. After all, haven't we already convinced ourselves that we can do better?

MQSCA SCHOOL

Principal: Jennifer Vega 414-476-0751
Vegaj@mqscateacher.org

The entire school community is thrilled that the winter weather has begun to relent. The students are getting more time for recess now that they don't need to 'suit up' in all the winter gear. Another thing that has the staff smiling is our vaccinations. Many of the staff will be fully vaccinated within the next few weeks. While it doesn't mean that we can remove our masks or become complacent in our safety protocols, it is a huge sigh of relief knowing that we are significantly more protected from COVID-19. Our Easter break is only one week away and the staff and students are looking forward to celebrating the Easter Triduum with some much earned and needed rest and relaxation. It is always nice when Easter break comes around, but this year has been uniquely demanding on our staff. With most teachers teaching concurrent lessons to both in-person learners AND at home learners, they deserve this brief respite. Please continue to keep the staff and students in your prayers!

In peace,
 Jen Vega

Walk Every Step with Christ

Holy Week is a week for being mindful. We must set loose the baggage of Lent, and not be deterred by the dazzling sunrise of Easter morning beckoning in the distance.

It's okay for us to be excited for Easter. We've waited so long, after all. In my opinion it's one of the best feelings there is: the yearning we have in our hearts for the Resurrection as we embark on Palm Sunday. And in a purely logical sense, many of us have Easter celebrations for which we are preparing, and practical considerations to contend with. It's going to be a busy week, one likely full of happy distractions.

But my friends, we simply must keep our feet on the ground. Let's not "skip" Holy Week. Resist the urge to flip to the last page of the book, to fast-forward to the final scene of the movie. Don't rob yourself of the journey. This week is a blessed opportunity. It is this week that teaches us who we are. In the span of the Triduum, we have the birthday of the priesthood, the institution of the Eucharist, the sacrifice on Calvary and so many other vivid and meaningful scenes.

It may sound strange, to advise someone to savor the moments of Holy Week. There are so many violent and heartrending moments, after all. But this is the valley of tears, remember — we are not in Heaven yet. And here, in our fallen, sin-filled world, it is the heartrending moments that seem to matter the most.

These are the moments that define us as Catholics. Live them. Cherish them. Be present for each one.
