

FreeState Flow Solutions, Inc. is a stocking distributor for Pratt Industrial products. Pratt Industrial offers a dynamic range of butterfly valves and actuation products commonly found in our existing customer base. It is advantageous for FreeState Flow Solutions and our customers that Pratt Industrial's office, warehouse, and manufacturing facility is centrally located in Emporia, KS. The improved service is accompanied by exceptional pricing that can compete with anyone. We would appreciate the opportunity to quote your butterfly valve and actuation products.

BF Series

230 PSI 2" through 12"

150 PSI 14" and Up

**Adapts to existing ABZ, Bray or Keystone Actuators

SB Series (Split Body)

Wafer/Lug Bodies

Sizes 2" Through 12"

230 PSI 2" through 12"

*Offered with Polymer Seats & Liners

HE Series (Double Offset)

Wafer, Lug,

Sizes 2" Through 12"

Class 150 & 300

ISO 5211 Mounting

PV Series Actuators

Pneumatic Rack & Pinion

Direct Mount to Pratt Valves

Sizes up to 43,923 in/lbs Torque

-58 to 176 Deg F

**Adapts to existing ABZ, Bray or Keystone Actuators

OS Series

Wafer/Lug Bodies

Sizes 2" Through 48"

230 PSI 2" through 12"

150 PSI 14" and Up

*Available ISO 5211 or ABZ, Bray or Keystone Actuators

HP Series (Double Offset)

Wafer, Lug, Double Flange, & Butt-weld Bodies

Sizes 2" Through 72"

Class 150, 300, & 600

**Adapts to existing ABZ, Bray or Keystone Actuators

TE Series (Triple Offset)

Wafer, Lug, Double Flange, & Butt-weld Bodies

Sizes 3" Through 48"

Class 150, 300, & 600

Inherently Firesafe

EQ Series Electric Actuators

Direct Mount to Pratt Valves

Sizes up to 79,656 in/lbs

Torque

24 VDC & 110 to 440 VAC

ISO 5211 & ABZ, Bray or Keystone Actuators
