Region I Office of Human Development will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.

Authorities

Section 504 of the Rehabilitation Act of 1973, as amended, provides that “No otherwise qualified disabled individual in the United States, as defined in section 7(6), shall, solely by reason of his disability, be excluded for the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.”

29 USC 794 (October 29, 1992 to the Rehabilitation Act of 1973) substitutes “a disability” for “handicaps” and “disability” for “handicap”.

49 CFR Part 27.13 (Nondiscrimination on the Basis of Disability in Programs and Activities Receiving or Benefiting from Federal Financial Assistance) states, “This part applies to each recipient of Federal financial assistance from the Department of Transportation and to each program or activity that receives or benefits from such assistance”.

49 CFR Part 28.102 (Enforcement of Nondiscrimination on the Basis of Disability in Programs or Activities Conducted by the Department of Transportation) states, “This part applies to all programs or activities conducted by the Department of Transportation except for programs and activities conducted outside the United States that do not involve individuals with disabilities in the United States.”

28 CFR Part 35 (Judicial Administration) states that: “The purpose of this part is to effectuate Subtitle A of Title II of the ADA which prohibits discrimination on the basis of disabilities by public entities.

49 CFR part 27 (Nondiscrimination on the Basis of Disability in Programs and Activities Receiving or Benefiting from Federal Financial Assistance) states, “The purpose of this part is to carry out the intent of Section 504 of the Rehabilitation Act of 1973 (29 USC 794) as amended, to the end that no otherwise qualified disabled individual in the United States shall, solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.”

49 CFR Part 28-140 (Employment) states that, “(a) No qualified individual with disabilities shall, on the basis of disability, be subjected to discrimination in employment under any program or activity conducted by the Department,” and “(b) The definitions, requirements, and procedures of Section 504 of the Rehabilitation Act of 1973 (29 USC 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

29 CFR Part 1613 (Equal Employment Opportunity in the Federal Government) states that: “It is the policy of the Government of the United States...to provide equal opportunity in employment for all persons to prohibit discrimination in employment because of race, color, religion, sex, or national origin and to promote the full realization of equal employment opportunity through a continuing affirmative program in each agency.”

42 USC Part 12101-12213 (The Americans with Disabilities Act of 1990) states that: “No covered entity shall discriminate against a qualified individual with a disability because of the disability of such individual in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, and other terms, conditions, and privileges of employment.”

Complaint Procedures

No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

These procedures apply to all complaints filed under Section 504 of the Rehabilitation Act of 1973, relating to any program or activity administered by the Nebraska Department of Transportation (NDOT) or its sub-recipients, consultants and/or contractors. Persons Eligible to File: any individual or group of individuals, or entity who believes that he or she or any specific class of persons has been subjected to discrimination or retaliation prohibited by any of the Civil Rights Authorities based upon race, color, sex, age, national origin or disability may file a written complaint.

DISCRIMINATION: an act (or action) or inaction whether intentional or unintentional, through which a person in the United States, based on race, color, sex, age, national origin, or disability has been subjected to unequal treatment under any program or activity receiving Federal financial assistance.

The ADA Complaint Form (page 7) is for individuals who believe Region I Office of Human Development programs, services, or activities may be discriminatory.
