

Dear Pioneer Area Business Owner,

As we eagerly anticipate spring, The Pioneer Baseball Program is gearing up for hopefully, another winning season. Last year we saw an exciting season as our Pioneers stepped up in classifications and held their own with the larger schools and had another winning season. We also saw one of our 4 seniors continue their baseball career at Bethel University. We currently have 5 Pioneers playing at the college level.

The class of 2023 Pioneers (Team42) are continuing to work hard toward the winning tradition that has been established in Pioneer Baseball. Team 42 will be returning 7 positional starters as they set their sites on District, Regional, and their first State Title. Coach Wickersham and his assistant coaches been hard at work, as fall workouts are about to be over and full-time winter workouts are around the corner. They are continuing to lift and grow stronger by the day as they are also in full swing utilizing RAPSODO. 90 % of all D1 schools operate on RAPSODO, and only about 4% of high schools operate on it. This is extremely valuable to our program's growth. It was able to get 2 of our athletes scholarships during our shortened COVID 2020 season. We were able to send the college their RAPSODO data for them to look at and see that they were college ball material without even seeing them in person. Our Baseball field has been one of the best-looking fields in West TN. It won Field of the Year back in 2019 and has been a finalist the past couple of years. With your continued support, we would like to put turf down at home plate, along with a protective Halo. This expense will keep our field from having rain outs plus keep us as a finalist again for Field of the Year. A huge thank you goes to all that have participated in this outfield sign program, as it is you who allows us to provide the best to our boys. Please visit our website www.gcpioneerbaseball.org to see a picture of the home plate area. In addition to teaching and practicing baseball skills, our coaching staff are intent on using the great game of baseball to teach valuable life lessons and qualities that are desirable in all aspects of our Student-Athletes personal and professional lives. Requiring all players to aspire to a standard of behavior and building individual character while always exhibiting Honor, Integrity, Teamwork and Sportsmanship.

If you live and breathe baseball, and share an interest in promoting Pioneer Baseball, we could use your help while offering a great advertising opportunity. We are currently accepting applications to advertise on our outfield fence. As a new outfield fence advertiser, you will receive a 4'X6' sign, designed to your specifications, that will be displayed from March through June at our field for a first time fee of \$300. For those of you who participated in this program last year, we have your sign stored and ready to go for \$200. You can always give more! We can provide you with documentation for claiming 100% of your tax-exempt dollars on any amount you decide to give.

If you would like to give to the program without an advertisement sign, 100% of your dollars will go toward our annual budget. For these donations without an outfield 4'X6' sign, we have established three levels of recognition that will be proudly displayed on our press box for all to see. They are: Molina level-greater than 500, the Ozzie Smith level-greater than \$250, and the Albert Pujols level-greater than \$100.

If you would like to help promote and support what Pioneer Baseball stands for, please complete, and return the enclosed advertising application. Thank You for your support.

With Thanks,

Brady Fisher- Pioneer Baseball Bullpen President

**GIBSON COUNTY HIGH SCHOOL BASEBALL
ADVERTISING FORM**

Please provide the following information:

Business name or Sponsor: _____

Address: _____

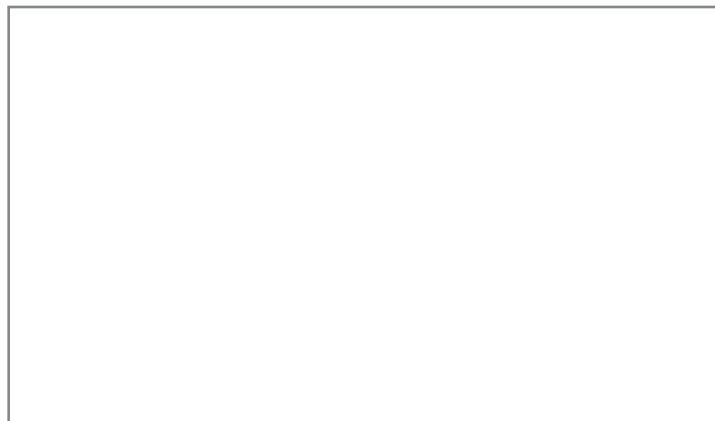

Phone Number: _____

Email: _____

Business Card for logo: Y or N
