Why Life Insurance Is Worth It

There are many answers to the question of why is life insurance important. But by and large, the most important one is ensuring your family's financial security and peace of mind.

If anyone depends on your income, they would most likely struggle if you were to pass away. That's why life insurance is so important to have. There are different types of life insurance policies, but, essentially they all pay cash to your loved ones when you die. Money from life insurance can be used to cover daily living expenses, a mortgage or rent payments, outstanding loans, college tuition and other essential expenses. Life insurance is the best way to ensure that your loved ones would be in a good financial place if you and your income were no longer in the picture.

What Does Life Insurance Cover?

Life insurance covers virtually any type of living expense. Some common expenses include:

Immediate Expenses

- Funeral and burial costs
- Uncovered medical expenses
- Mortgage or rent
- Car loans
- Credit card debt
- Taxes
- Estate settlement costs

Ongoing Expenses

- Food
- Housing
- Utilities
- Transportation
- Health care and insurance
- Continue a family business

Future Expenses

- College costs
- Retirement

Do You Need Life Insurance?

It's a great question. And the truth is, not everyone does. But ask yourself, "Would someone suffer financially if I died?" If you answered "Yes", then chances are you need life insurance.

We Reward You When You Refer Your Friends & Family!

Your referrals mean the world to us. We work hard to earn each referral with great service and appreciation for your business. We also love supporting the charitable efforts in our communities, so we've tied referrals and charitable giving together. *Here's how it works:*

- A referral is when we get a request for a quote from someone saying you referred them to us, and we complete a proposal.
- For each referral we receive, we will **donate \$15** to our charity of choice: **The Connection**.
- We will draw one name from the list of people who referred someone to us each quarter, and the winner will receive a \$100 gift card! The person you referred does not need to purchase insurance from us for you to qualify for the gift card!
- **2nd Quarter update** – We had 14 referrals in the 1st quarter and 10 referrals in the second quarter, which means we will donate \$360 to The Connection! Congratulations to our 1st quarter winner, **Wendy Sterzinger** and our 2nd quarter winner, **Scott Pick**! Enjoy your \$100 gift certificates! And a huge **THANK YOU** to everyone who gave us a referral! We love referrals, so please keep sending your friends and family to us!
