Dear Richard,

We are incredibly grateful for the work you did to repair and deliver a pool table to our Veteran's Housing program! This is a special gift that took a lot of effort on your part. Your generosity truly makes a difference in the lives of our members by providing recreation and positive social interaction.

Reliance Health serves people in our community with mental illness, addictions, and developmental disabilities by enhancing health through mental wellness. We are thankful for donors like you, who support our mission and our members.

Sincerely,
