

THE EXPEDITION COVENANT CORPORATION

The Christian community has a great need for affordable life, health, and property and casualty insurances, banking, mortgages, educational, social multi-services, financial and non-financial products and services. No major competitors are offering these kinds of products and services directly to the Christian community as a group. The Expedition Covenant Corporation (a development stage company) as a membership Association is dedicated to providing these products and services through a network of affiliated and subsidiary companies to the Associated Members of UpTon Members Management Company (a development stage company). This business model has never existed for the Christian community until The Expedition Covenant Corporation (a development stage company) created it. The Expedition Covenant Corporation (a development stage company) has developed a major Association to serve the needs of the Christian community as a group and as an individual consumer. The network of affiliated and subsidiary companies is not exclusively serving the Christian community, but where required by Federal and State laws, all consumers have to come through the Christian church to purchase the group products and services.

The Expedition Covenant Corporation (a development stage company) is a mutual-based membership-Association that offers through (the creation of) The (Proposed Name) United Hope Republic Insurance Group (UHRIG) (a development stage company) doing business as The (Proposed Name) United Hope Republic Life Insurance Company (UHRLIC) (a development stage company) and The (Proposed Name) United Hope Republic Health Alliance (UHRHA) (a development stage company) a comprehensive, high-quality group whole life, group term life, HMO with dental and vision coverage, accidental death and dismemberment, supplemental term life and accidental death and dismemberment, and short-term and long-term disability benefits. The program also includes long-term care, critical illness insurance, retirement programs for members and pastors, and a graded death benefit insurance program for uninsurable individuals. These insurance products and

services are available for church members, pastors and employees, business employees, and non-members at highly competitive rates.

The Expedition Covenant Corporation (a development stage company) offers through (the creation of) The (Proposed Name) United Royal Eagle Bank and Trust, NA Group (UREBTG) (a development stage company) doing business as The (Proposed Name) United Royal Eagle Bank and Trust, NA (UREBT) depository, savings and checking accounts, mortgages, small business lending, commercial lending, CDs, safe deposit box services, Trust and Fiduciary services, educational lending to name a few banking products and services offered to the Christian community. These banking products and services are available for the church members, pastors and employees, business employees, and non-members at highly competitive rates.

The Expedition Covenant Corporation (a development stage company) offers through (the creation of a national Federal Credit Union network of credit unions) The (Proposed Name) True Mark Federal Credit Union System (TMFCUS) (a development stage company) doing business as The (Proposed Name) True Mark Federal Credit Union (TMFCU) (depository and products and services includes), share accounts (savings) and share draft (checking), mortgages, small business lending, commercial lending, CDs, safe deposit box services, Trust and Fiduciary services, educational lending to name a few credit union products and services offered to the Christian community. These Federal credit union products and services are available for the church members, pastors and employees, business employees, and non-members based on the Credit Union members ability to repay at generally lower rates than banks rates.
