Have you ever felt overwhelmed by the amount of work needed to make risk management practical and embedded in your firm?

Don't have the time to attend lengthy courses on risk management?

Don't want theoretical courses which don't tell you how to make it work in practice?

Want to belong to a club where you have access to a specialist risk helpline for answers on risk issues, along with discounted monthly courses - for a small annual fee?

Welcome to The Risk Bites© Club!

Practical advice from the 'Risk expert' in your lunch break.

Membership of the Risk Bites© Club is ideal for those responsible for risk in professional practices, for those working in the risk and compliance teams in professional firms and for anyone working in a professional practice who needs to have an awareness of risk issues in their day to day jobs.

A dedicated risk helpline is available to members to give practical assistance on risk issues.

The Risk Bites© Club meets monthly- a 30 minute practical session focussed on real world issues, case studies and with helpful tips and 'take aways' members can use immediately, followed by a 30 minute discussion space for members to raise issues facing them in the real world.

Can't attend each month? Sessions are recorded and can be sent to members (full or ad hoc) on request.

Join the Club:

Full annual membership- access to the helpline and all sessions is from only £375* for individual membership. Firm membership is £700* for up to 5 licenses or £1000* for 10 licenses.

Ad Hoc annual membership – individual membership giving access to the helpline is only £250* a year. Firm annual ad hoc membership is £400 for up to 5 licences or £600* for up to 10 licences. Ad Hoc members can then pay for each session on an ‘as you go’ basis at £30* for each attendee.

Non members can attend sessions at a price of £55* each time.

*all prices are plus VAT

Practical, expert and relevant training and advice in your lunch break- second Monday of the month at 1pm.

Sample topics include:

Liability caps, Fees (disputes and agreeing fees), Managing staff remotely, How to get staff to take risk management seriously, Retainer creep, Ending the retainer, Engagement letters, terms of business, Email policy and risk with emails, File reviews.

... and so much more!

For more details about the Risk Bites© Club, details of the helpline and the programme of future sessions, please contact Karen at karen@kareneckstein.co.uk or 07973627039.
