All Measurements in **INCHES ONLY!**

1. Please note radius corner "C" measurement.
2. "A" measurement is always the hinge length.
3. Cover measurements should be to the outside of the spa lip.
4. For odd shaped spas, draw a picture of your spa with measurements on the back of this sheet.
5. INDICATE STRAP LOCATION.
6. Covers measuring over 90" are considered oversized and are subject to price increases.

I understand that I am responsible for providing accurate measurements for my custom hot tub cover. Cascade Spa Covers LLC is not liable for any issues caused by incorrect measurements, including improper fit. I acknowledge that all custom cover sales are final and that no refunds, returns, or exchanges will be provided if the cover does not fit due to measurements errors. By signing below, I confirm that I have read, understand, and agree to these terms.
