WE ARE LOCATED IN THE HEART
OF KENDALL SQUARE, BOSTON, USA

What is "LTE" Program?

The Leadership, Innovation, Technology, Entrepreneurship (LTE) program is a 1-to-2 months immersive experience within Kendall Square, in Cambridge, US - renowned as global hub for innovation, housing institutions (i.e MIT and Harvard) and notable companies, like Biogen, Google, and Microsoft.

LITE 2024 SCHOLARS

What Will You Gain?

1) Gain exposure to Innovators shaping world-changing technologies. 2) Discover career path in Science, Tech & Innovation. 3) Build confidence in social interactions. 4) Kickstart your professional network & digital imprint. 5) Boost soft skills & business acumen. All this through real-world exposure, not courses!!

MASSACHUSETTS INSTITUTE
OF TECHNOLOGY (MIT)

Who We Are?

TINS is led by a group of technology entrepreneurs who have both early stage innovation and industry experience. Our goal is to transfer our passion, knowledge and experience to young individuals, by exposing them to the world of innovation and by infusing their minds with curiosity and ambition.

PROF. BILL AULET

Managing Director, Martin Trust
Center for MIT Entrepreneurship &
Prof. of the Practice at

Who Can Apply?

High-School & college students who possess curiosity and a keen interest in exploring the world of "Innovation, Technology & Entrepreneurship" are encouraged to apply. You will gain first-hand exposure to learn from and engage with Scientists, Innovators, and Business Leaders in the realm of tech and innovation across various sectors.
