Veteran Prosperity Fund

*Raising awareness for disabled Veterans
through locally sponsored events.*

Dear Potential Sponsor,

Our mission at the Veteran Prosperity Fund (VPF) is to raise awareness for combat disabled veterans and veterans suffering from PTSD and combat-related injuries by supporting like-minded local and regional veteran charities through donations raised from our locally sponsored events. In 2022, I began the VPF out of concern for our veterans as they "reconnect" into civilian life after suffering from disabilities or PTSD as a result of their service to our country. As a disabled vet of OIF and OEF, myself, I am keenly aware of the needs for this population of our country and, more specifically, the greater Charleston area. Veteran Prosperity Fund (VPF) is a 501c3 organization and all donations are tax deductible.

Over the past few years, the VPF has organized several events to raise money for local and regional veteran charities. Our premier event has been our Charity Invitational Golf Tournament with our primary sponsor, Prosperity Home Mortgage. This tournament is held annually in late March at the Snee Farm Country Club in Mt. Pleasant, South Carolina. Since its inception, the tournament has doubled in size – last year we had close to 100 golfers. We have donated a combined total of \$40,000 for veteran charities including K9s for Warriors, Fisher House, and Operation Homefront.

Next year our tournament will be held at the same location on March 24th. We would greatly appreciate your support of our veterans by becoming a sponsor of this event. Please review the included sponsorship material and feel free to contact me to start the conversation.

Thank you for your consideration! With your help, we can continue to impact the lives of our veterans!

Sincerely,

Kiel Gallant
