## I AM HERE TO GUIDE & OPTIMIZE

My insights are valuable and I do not just give them away.

My value does not come from doing.

It is ok for me to be patient and take my time.

I have faith that I will have what I need when I need it.

I trust myself to know when an invitation is correct for me.

I am a powerful seer, needed, recognized, and invited to guide.

I am a once in a lifetime unique being created exactly as I am meant to be.

## Crystal: Unakite Jasper

Trusting that the invitations will come can be the hardest thing for a Projector to do. With a penetrating and absorbing aura that sees right into the core of the other, it is often difficult to let go of feeling as though you need to help everyone with the issues you observe. And, when you offer help uninvited, bitterness can invade the heart space, causing resentment and pain. Unakite Jasper opens our heart to love, compassion, and kindness and provides us with an uplifting and hopeful energy.

**Sit with your Unakite Jasper and affirm:**

I am enough! Faith paves my way.  
I have incredible power and love inside me.  
I am Success Recognized!
