

## Campaign Corner 7.27.18

### Endorsement News!

I am beyond excited to have received the endorsement of both Georgia WIN List and the Georgia Sierra Club last week.

“Georgia’s WIN List is proud to endorse Dawn Randolph for Georgia Public Service Commission - District 5. With her 30 year career as a consumer-oriented public policy consultant, she knows her way around the Capitol, can cut through bureaucratic mazes and understands – possibly even enjoys – thick budget documents.”

“I am pleased to officially inform you that the Georgia Chapter of the Sierra Club has endorsed your candidacy in the Public Service Commission in appreciation of your demonstrated commitment to the environment. Our

endorsement sends a message of your strong support for the environment and your proven track record on environmental issues. We wholeheartedly extend our support to elect you to the Public Service Commission.”
