## ACTION ALERT

**DATE:** January 18, 2019  
**TO:** Concerned Parties  
**FROM:** Hilary O. Shelton, Director, NAACP Washington Bureau

**NAACP URGES SWIFT PASSAGE OF H.R. 1,  
THE FOR THE PEOPLE ACT,  
COMPREHENSIVE VOTING RIGHTS  
AND ELECTION PROTECTION LEGISLATION**  
*H.R.1 WOULD IMPROVE ACCESS TO OUR ELECTORAL PROCESS,  
STRENGTHEN VOTING RIGHTS PROTECTIONS AND SAFEGUARD OUR  
DEMOCRACY*

### **THE ISSUE:**

The first legislation to be introduced in the 116<sup>th</sup> Congress is H.R. 1, the *For the People Act*. H.R. 1 is a comprehensive bill with provisions to protect and support eligible American citizens to cast a free and unfettered vote and for the American people to be sure their vote was counted. The *For the People Act* would also increase the penalties for false or deceptive electioneering, reform the campaign finance structure to increase the voice of every-day Americans, and provide clear ethics guidelines for all federally elected and appointed official, including the President, the Vice President, every member of the President's cabinet, every Senator, and every member of the U.S. House of Representatives. H.R. 1, the *For the People Act*, is a comprehensive response to many of the current challenges with, as well as the promises of, our democracy.

While there have been a number of NAACP-supported bills introduced this year which would deliver crucial, individual "fixes," H.R. 1 represents a coordinated, comprehensive effort to protect and promote the voting rights of all Americans. This vital legislation includes many of the tools the NAACP has identified throughout our nation as improving voter registration and turn-out and successful voter participation: it includes provisions to promote automatic voter registration; same-day voter registration; early voting; voting by mail; the re-enfranchisement of ex-felony offenders; and an improvement in provisional ballots; while at the same time prohibiting voter caging, voter deception and voter intimidation. The *For the People Act* also promotes secure voter registration via the internet and gives much-needed resources and additional authority to the Election Assistance Commission (EAC), a federal agency created in 2002 by the NAACP-supported Help America Vote Act. The EAC is charged with determining and promoting the best, most secure practices to safeguard our democracy.

The *For the People Act* also begins to fix the damage done to the crucial 1965 Voting Rights Act by the US Supreme Court decision in *Shelby v. Holder*. This vital legislation also establishes a strict code of ethics for all federally elected and appointed officials, including the President, the Vice President, his cabinet, and every Member of Congress, so we are not constantly distracted by the "scandal of the day." Finally, but no less importantly, H.R. 1 contains strong provisions to bring about genuine campaign finance reform measures which will withstand the scrutiny of the Courts.

In short, H.R. 1, the *For the People Act* makes voting and participation in the democratic process easier, not throwing up barriers which may seem insurmountable to whole groups of eligible voters. Voting is not a partisan issue; nor should support for HR 1 be limited to just one party.

The Honorable \_\_\_\_\_  
United States House of Representatives  
Washington, D.C. 20515

**RE: MY STRONG SUPPORT FOR H.R. 1, THE *FOR THE PEOPLE ACT* LEGISLATION  
TO GREATLY IMPROVE AND EXPAND THE DEMOCRATIC VOTING PROCESS**

Dear Representative \_\_\_\_\_,

As your constituent, I would like to urge you, in the strongest terms possible to co-sponsor and support through passage H.R. 1, the *For the People Act*, legislation intended to expand Americans' access to the ballot box, reduce the discriminatory influence of big money in politics, prevent voter fraud, and strengthen ethics rules and accountability for public servants.

The *For the People Act* represents a coordinated effort to protect and promote the voting rights of all Americans. This vital legislation includes many of the tools identified throughout our nation as improving voter turn-out and successful voter participation: it includes provisions to promote automatic voter registration; same-day voter registration; early voting; voting by mail; the re-enfranchisement of ex-felony offenders; and an improvement in provisional ballots; while at the same time prohibiting voter caging, voter deception and voter intimidation. H.R. 1 also promotes voter registration via the internet and gives much-needed resources and additional authority to the Election Assistance Commission (EAC), a federal agency charged with determining and promoting the best, most secure practices to safeguard our democracy.

The *For the People Act* also begins to fix the damage done to the crucial 1965 Voting Rights Act by the US Supreme Court decision in *Shelby v. Holder*. This vital legislation also establishes a strict code of ethics for all federally elected and appointed officials, including the President, the Vice President, his cabinet, and every Member of Congress, so we are not constantly distracted by the "scandal of the day." Finally, but no less importantly, H.R. 1 contains strong provisions to bring about genuine campaign finance reform measures which will withstand the scrutiny of the Courts.

This should not be a partisan issue: the right to vote should be supported by all Americans who believe in democracy. We should be making voting and involvement in the democratic process easier, not throwing up barriers which may seem insurmountable to whole groups of eligible voters. I look forward to hearing your thought on this matter, as well as how I can help improve the promise and performance of our democracy.

Sincerely,
