2018 Annual Report

Core Goals: *Inform, Educate, Empower*

Dr. Derrick L. Foward,
President

Message From The President:

Dear NAACP Members, Constituents, Church, Community and Business Leaders:

First giving Honor and Praise to our Lord and Savior Jesus Christ who is the head of my life, because without him, we could do nothing.

I want to publicly thank the entire Dayton Unit NAACP Family for the exemplary work you have accomplished, garnering the 2nd Place Thalheimer Award for Outstanding Programs at the NAACP 109th Annual Convention in San Antonio, Texas. This is the highest awards any Unit can receive from the NAACP. This award was given to us for our programming in the year of 2018. In fact, this is the seventh year in a row that we have received the coveted Thalheimer Award. You are to be commended for your tireless Civil and Human Rights work. ***“Teamwork Makes the Dream Work.”***

Our membership continues to grow, up 1.34% versus the previous year. We ended the year of 2018 as the 2nd largest Unit in the State of Ohio, only behind Cleveland. Our online activists have grown to an impressive 5,167 Facebook Fans (***Dayton Unit NAACP***) which is up 2.76% versus previous year. Our goal is to have more than ***10,000 online activists*** by December 31, 2019. ***Become our friend and follow us on Facebook and Twitter*** so we can keep you updated on the latest advocacy work coming from our office. We conducted 5 TV Shows and 11 Monthly Community Meetings, highlighting topics such as ***Services Available and Provided to our Local Veterans; Retired Educators Speak About Careers; Job Challenges in the Early Years; Gerrymandering; President’s Briefing with Premier Health Executives*** and other areas of interest. We investigated 121 cases in the year of 2018.

It was truly a blessing to have all of our youth programs fully functioning and NAACP compliant ... Littlejohn Junior NAACP Youth Council, Dayton NAACP Youth Council, Move Foward Thurgood Marshall NAACP Youth Council and the Dayton NAACP ACT-SO Youth Program.

We wish everyone a Blessed, Safe, Prosperous and Happy New Year. I am convinced that if you keep God first, you will receive the desires of your heart. To my Cabinet, I truly appreciate your continued support. Stay Blessed!!! ***“Our Success is Influenced by Your Actions (DLF).”***

Your community servant,

Dr. Derrick L. Foward

“Do You Support Got-Cha Photo Enforcement Cameras”***

The Dayton Unit of the National Association for the Advancement of Colored People (NAACP) hosted a Town Hall entitled “*Do You Support Got-Cha Photo Enforcement Cameras.*” The event was held on Monday, May 21, 2018 at 6:30 pm at the Dayton Boys Preparatory Academy located at 1923 W. Third St. The benefits of Photo Enforcement Cameras were presented by Mark Ecton, Assistant Chief of Police & Deputy Director for the Dayton Police Department and Matt Carper, Assistant Chief of Police for the Dayton Police Department. The disparate impact of Photo Enforcement Cameras was presented by Attorney Christopher P. Finney, Owner of Finney Law Firm. The moderator was Derrick L. Foward, President of the Dayton Unit NAACP.

“While we all agree that safety is a huge concern and must be dealt with very swiftly to keep our seniors, our neighbors and our children out of harm’s way, let it not be at the expense of taxing poor communities throughout Montgomery County, Ohio,” said Foward. “We should all work together to develop a strategy to place more law enforcement officers on the streets to protect and serve the entire community, not just at traffic-light intersections,” said Foward. “The Dayton Unit NAACP supports law enforcement agencies and will do what we can to assist in the hiring process to keep our community safe,” said Foward.

Citizens were able to ask questions of the panelists so they are truly informed and educated on the use of Photo Enforcement Cameras thereby empowering them to make a conscience decision as to their level of support or non-support of these devices.

The moderator was Laretta Williams, Chair of the Dayton Unit NAACP Education Committee.

“Very few things in life can be done alone, that includes improving the quality of leadership, teaching, and learning within Dayton Public Schools,” said Williams. No longer can we afford to engage in confusion, conflict and criticism. Instead, we must come together, collaborate and create,” said Williams. “We are seeking the assistance of educators, administrators, parents, students and concerned citizens with developing a plan to present to DPS leadership as it relates to potential school closures,” said Derrick L. Foward, President of the Dayton Unit NAACP. “There are currently 9 schools on the chopping blocks, with 8 of them being in West Dayton. We are highly concerned with the busing and displacement of West Dayton Students,” said Foward.

***Dayton Unit NAACP Hosted
Town Hall and Strategic Planning Session
With Premier Executives***

The Dayton Unit of the National Association for the Advancement of Colored People (NAACP) in divine unification with Faith Leaders, hosted a Town Hall and Strategic Planning Session titled, ***“You Have a Voice! Good Samaritan Closing in Dayton.”*** The event was held on Saturday, February 10, 2018 at 10:00 a.m. at Zion Baptist Church located at 1684 Earlham Dr. This was an open community conversation with Mary Boosalis, President & CEO of Premier, Anita Moore, Chair of Premier Board of Trustees, Concerned Citizens, Administrators, Employees, Nurses, Patients, Healthcare Providers and all that will be impacted by the closure. The moderator was Derrick L. Foward, President of the Dayton Unit NAACP.

The forum provided an opportunity for Premier Executives to have an open and honest discussion with the community at-large as to why they decided to announce the closing of Good Samaritan Hospital and will also allow the community at-large to be civically engaged by asking questing, sharing concerns and developing a collective response as a body of people on why the hospital should not close, but continue to serve the Citizens of Northwest Dayton.

“The hospital closure will have a devastating economic impact on the City of Dayton as a whole, but especially for the residents of Dayton who are employed by the hospital and everyday Citizens who use Good Samaritan Hospital as their primary destination place for health care services,” said Foward.

“As one of the NAACP 21st Game Changers, health equality for all Americans including a healthy life and high-quality health care is essential to being able to live the American dream. Everyone deserves the right to have equal access to affordable, high-quality health care which will ultimately end racially disparate health outcomes. Let’s continue to pray that there will light at the end of the tunnel,” said Foward.

With ACT-SO, I learned the values and history of African-American heritage for us as people to speak up and show our talents. I have acquired confidence and strength and I am honored to have dance in the nationals in San Antonio, Texas against so many talented people. - **Years in ACT-SO:** 1

“The Dayton ACT-SO Program has given me several opportunities. I flew on a plane for the first time and went to a state I have never been to before. But on top of that, I met other African Americans who have similar interests as me. Being in such an encouraging environment makes me want to work even harder for competitions in the future. Through this program, I am given an opportunity to share something I worked hard on with peers and professionals from around the country. Even though I did not win a national medal, it was a rewarding experience and I hope I am able to do it again next year.”
