ACH Automatic Payment Authorization Form

Schedule your payment to be automatically deducted from your checking or savings account. Just complete and sign this form to get started!

Automatic Payments Will Make Your Life Easier:

- It's convenient (saving you time and postage)
- Your payment is always on time (even if you're out of town), eliminating late charges

Here's How Automatic Payments Work:

You authorize regularly scheduled charges to your checking or savings account. You will still receive your quarterly statement which will show the anticipated amount and withdrawal date. Your bank withdrawal will never be more than your current balance due in case you intentionally or inadvertently pay before the withdrawal date.

Return this form by March 1, 2020 to become effective for the March billing.
