You are hereby notified that on 06/11/2024 the following entry was made on the above referenced docket:

Endorsement on Motion for Reconsideration filed by Defendant Surfside Crossing (#22.0): DENIED
Upon review and consideration of Surfside's motion (Paper No. 22), HAC's response (Paper No. 22.1), NLC's opposition (Paper No. 22.2), plaintiffs' opposition to HAC's response (Paper No. 22.3), and plaintiffs' opposition to Surfside's motion (Paper No. 22.4), the motion for reconsideration is denied. I find persuasive the reasoning in NLC's opposition, as well as the plaintiffs' opposition (to the extent that correctly notes that the footnote at issue also credited the reasons articulated in the residents' original briefing). I note as well that Surfside easily could have sought permission to file a sur-reply at the time of the original briefing to be able to respond to NLC's reply (essentially NLC's opposition to Surfside's cross-motion for JP) arguments regarding res judicata, but it didn't do so.
