MARCH 2018

From The Aerie:

As usual, we need members to serve on several event committees. The Buddy Bass Committee is looking for 2 or 3 volunteers to help sell logos and get the word out to fishing teams. The Spring Fling Committee is looking for members to help plan the event and perform related functions. Mike Hunt is chairing the Spring Fling Committee and Roger Kelley (for the 11th time) is doing the Buddy Bass. Let them know if you're willing to help.

A reminder, the Grand Aerie requires members to pay their 2019 dues by May 31, 2018. The Grand will automatically drop any member delinquent in their dues at the end of June 2018. Local Aeries/Auxiliaries have no control of the drop. So get your dues in and don't get dropped.

Let's make St. Patrick's Day a super fun day. Decorate your vehicle for the parade. Join in for the Auxiliary dinner and stick around for the music of the Big Foot County band.

The Aerie/Auxiliary will co-host the MO State presidents on May 5 at 5pm. This will be presentations, dinner and dancing. Always a lot of fun and socializing with our State officers.

Attend your monthly meetings. Let your voice be heard as how you would like the Aerie to operate. Give some thought about serving your Aerie as an officer or Trustee. Annual elections will be upon us sooner than you think.

From the Auxiliary:

Hi everyone. We had a good Steak Dinner put on by the Aerie before the Valentines Dance in February. They did a great job on the meal and thank you for the entertainment by the Scot Free Band. The hall looked great for the fun we had that night. The Auxiliary sold jello shots and roses for all the sweethearts. Proceeds raised some money for the Jimmy Durante Children's Fund. Love to hang out with friends while being People Helping People. Thanks to everyone who decorated, cooked, cleaned up, made, put together and sold things to make this a good fund raiser and party.

The Auxiliary will be putting on a Corned Beef and Cabbage Dinner on March 17th. \$8 for Adults, \$5 for 4-12 yr. olds. 5Pm for the feed. Some help and desserts will be needed. Proceeds will go to help out the Hurley School. The parade will be at 3. Our queens Belinda & Cheri will lead the floats.

We'd like to welcome back to the Auxiliary Marion McDonough and a welcome to our newest member - Margo May.

Watch for fliers on the Easter Egg Hunt and Bake Sale.

Hugs to : Fred Toten. Kim Boler.

Remember our Troops. Remember to be kind. Remember why we as Eagles Members are here.... to aid the patriotic and humanitarian plans of the Fraternal Order of Eagles. Until next month..have fun!
