# CAPE FAIR EAGLES 4278

## APRIL 2018

### From The Aerie:

Second call for members to serve on several event committees. The Buddy Bass Committee is looking for 2 or 3 volunteers to help sell logos and get the word out to fishing teams. The Spring Fling Committee is looking for members to help plan the event and perform related functions. Mike Hunt is chairing the Spring Fling Committee and Roger Kelley (for the 11<sup>th</sup> time) is doing the Buddy Bass. Let them know if you're willing to help. Check 4278 web site for flyers and additional event information: [www.foe4278.com](http://www.foe4278.com)

Dues are due. The Grand Aerie will NOT give us extended time anymore to pay them so get yours in now and avoid extra fees to re-join. Stay current, stay with us and support us in all we do for the needs of so many. \$25 can be mailed in to Cape Fair Auxiliary 4278, PO Box 203, or the Aerie P.O. Box 58. Separate checks if you are mailing one Aux and one Aerie from the same household please. Thanks! After May your door card will no longer work. We appreciate you all!

### From the Auxiliary:

Happy Spring to all! Get out and ready for fresh air fun. Speaking of fun, we had our big Saint Patrick's Parade thru Cape Fair with our newest Queens Belinda & Cheri leading them on. Fun time! Our Auxiliary hosted the corned beef and cabbage dinner that day and it was another delicious meal. Thank you to Tammy, Patsy, Juli, Linda Thomas, Lisa Cochran, Ruth, Connie & Shirley Thomas and anyone else who helped make this yummy. We made some good money that will go to one of our local schools. We also had our 4 rose bush raffle going on and they brought in over \$150 to go towards the same fund raiser. Thanks for the donations, selling help, kitchen help and the hall looked great for the party later on that evening. Hear say that one of our own Committee members got to sit in on the drums. Great day for all!

Linda Clark and Loraine Batson traveled to the Spring Conference in Boonville and we have yet to see pic's of these gals dressed up for the 50's banquet. Hint hint! Thanks for supporting us.

The pool and shuffleboard at Shell Knob was a fun time with our friends. We took both trophies this time. Nice win for Cape Fair, great job everyone. Thanks for the hospitality and good meal. See you at our lodge next time.

The Auxiliary put on an Easter Egg hunt and it's always loads of fun for kids in our Community. Thanks to all who helped, who brought candy & stuffed eggs. Also a bake sale went on that day to bring in funds for Parkinson's research headed up by Loraine Batson. Thanks for the help with that also. We are getting closer to our \$4000 goal. Awesome!

Hugs to: All of our members with health problems or long term struggles. Sympathy to Vicky and the entire Moore family for our friend Larry Moore who has passed away.

Support our Troops, our teachers & our children who are subject to the many hateful things going on in our world.

Until next month, be safe, keep on smiling and Play ball!
