CAPE FAIR EAGLES 4278

AUGUST 2018

Hello!!! Our Auxiliary had a turkey & meat loaf dinner for a family's gathering from Lawrence Kansas and money was made for our State Charity "Make a Wish Foundation". Thanks to all of our ladies who helped out!

We'd like to welcome Connie Eckles as our new treasurer and thank Diane Gardner for staying in until we got this office filled. Another welcome to our newest member Janice Kyle!

The Auxiliary will be participating in the Sunday Supper and will take two per month. Any ladies wanting to help out please let us know. You get to choose what you make, the people to work with, the price, then we'll pick a charity for the proceeds to go to. Let's give it a try!!!!

The Harbor House representative came in and our Auxiliary presented her with a check for \$800 to help battered spouses and abused children locally. We also presented an OCAC representative with a check for \$1100. Good start to our People Helping People Year!

Sherry Linder donated a very nice chest to fill and raffle off by Christmas for the elderly in our area. Details will come soon. Thanks so much for this great way to help others Sherry!

Hugs to: Al, Belinda, Sheri Smith, Vicki Lewallen and anyone with ongoing health problems.

Ladies: "Keep the Pledges you have taken, every day do something good, Keep the faith in you unshaken and exalt this Sisterhood, For the Home and those who love us, For this book that we adore, For this Flag unfurled above us, Let us serve forever more!

The Aerie donated \$500 to 4 area schools for the Back Pack Program (feeding kids) from funds raised at the Spring Fling. Thanks to all our volunteers that worked on that successful event.

Sunday Suppers are going very well. The meals are good and the funds raised are donated to the charity selected by the cooking teams, ie. \$160 for Make A Wish, \$400 for Bar H, etc. The Aerie and Auxiliary are working together to make sure every Sunday is covered. 8/5 Sunday Supper will be for the Parkinson Fund. Come enjoy good eats.

The Aerie is looking for members to be replacement Trustees. Until the two open positions are filled, bear with the trustees and be a participating member and help out the bar tenders when asked. Aerie officers and others are filling in to help the Trustees to keep the lounge open and operating as well as making changes necessary to meet compliance requirements of the Grand Aerie.

Chris & Roger Kelley from our Aerie went to the Work Weekend at Bar H Boy's Ranch and laid a new floor in the Foreman's kitchen, dining and laundry rooms with Ralph Ragan and several others.. Other volunteers worked at other jobs and much progress is being made to improve the ranch. Bar H is a MO FOE supported charity.
