Stop by the Aerie Lounge for a complimentary beverage of your choice during the month of your birthday

CAPE FAIR EAGLES 4278

December 2018

Hi from 4278. Our 20 Foster Kids have been shopped for and this will make many displaced children feel a little more loved during Christmas. Thanks to all. We could use canned goods donations for the baskets that helps local families. Bring them in before 12/15.

Our raffle is going well for Seniors in our area. This great cedar chest donated by Sherry Linder and all contents donated by other members will be a great prize for someone. Tickets are on sale until the 15th of this month. People Helping People!

The Thanksgiving Dinner was a delicious meal and we'd like to thank Patsy, Tammy and their helpers for putting this together for our members and our community. Great job!!!

Santa is coming to Cape Fair on Dec 15th along with his workshop. Bring the kids by to see him arrive on the big red truck, tell him your wishes, then the kids can shop for their families for very inexpensive gifts. Hohoho!!! Canned goods, gifts and cookies are still needed.

Come on out and party it up with "The Scot Free Band" on the 31st. It's always a blast to bring in the New Year with friends. Breakfast will be available after the Midnight hour for all so we can soak up our cheer and Champagne and get home safe. **Invite your family and friends to join us.**

Don't forget to sign up for our 3rd annual polar plunge and get your sponsors to raise money for Parkinson's. January 10th is the date for this great fund raiser! Please help out in any way you can.

Hugs to Sherry Linder and George Hammontree and sympathies to Floyd Cheatum who's Dad passed. Love to all with daily struggles.

Have a wonderful Christmas and a Happy New Year. Remember our Troops and those who are far from family. Hope everyone stays healthy and happy throughout the season. Signing off in 2018!

I know we're asking for help all the time but isn't that who us Eagles are? If you have any canned goods or nonperishables you can bring them up and put them in the Christmas Basket box on the back bar. If you know anyone who could use some extra help please take an application and fill it out for us. We love being "*People Helping People*"!

Our web site at www.foe4278.com has much useful information, photos, newsletters, and event flyers posted and updated regularly. Use the site contact form and let us know your thoughts. Email them to foe4278@yahoo.com Check out our Facebook pages for even more information.

Volunteerism is the backbone of our Aerie. Members are encouraged to go to www.FOE.com and sign up for the "Members Only" component. While the main FOE, the "members only" section provides more on the nitty gritty of operations. Learn what we are, what you can do, and how you can get new members. Membership is the life blood of any Aerie. Do your part and bring in new and/or re-enroll members.

Eagles are "*People Helping People*"
