Check our website for up to date details and conference information at www.NAJA.org

NAJA is a non-profit association that sponsors annual conferences for professional development of government and non-profit workforce development professionals. Since 1982, NAJA has conducted national conferences that are designed to enhance the operations and performance of administrators, middle management and staff personnel of local and state agencies. These workforce development professionals administer employment and training programs funded under the workforce innovation and opportunities act and other federal and state funds.
