

SPONSORSHIP OPPORTUNITIES

2026 - 2027 CHEER SEASON

ELEVATE THE TEAM, EMPOWER THE ATHLETE

"By sponsoring a cheerleader, you aren't just funding a season—you are investing in character, building confidence, and paving the pathway to a championship dream. Help us make the cost of competition match the height of their ambition!"

Competitive cheerleading teaches dedication, perseverance, and teamwork, but the financial requirements for competition tuition, choreography, travel, and uniforms can be substantial. ZCA invites local businesses and community members to partner with us. Your generous sponsorship goes directly toward reducing individual athlete costs, ensuring every talented cheerleader has the opportunity to shine on the mat.
