- Sibling Discount:** A \$50.00 monthly discount for siblings applies directly to monthly gym tuition.
- Tuition Structure:** Tuition is a flat fee independent of practice volume or holiday gym hours. Alternate/extra practices are called or modified strictly at the coaching staff's discretion.
- Late Starters:** Mid-season additions pay all annual/apparel program fees but exclude tuition for prior months unparticipated.

WITHDRAWAL, INJURY & FUNDRAISING RULES

- Strict No Refunds:** If an athlete withdraws or is dismissed for any reason, **NO REFUNDS will be given.** This includes advanced payments, deposits, or accumulated fundraising credits.
- Injuries & Competitions:** If an athlete is injured or can't perform, competition installments remain due and must be paid in full.
- Fundraising Constraints:** Fundraising allocations stay within your athlete's operational account. They are non-transferable, cannot be paid out as cash, and cannot be refunded even with a zero balance.
- Crossover Accommodations:** Crossovers do not pay dual tuition. They are only charged for their individual crossover items: bow, music, comp fees, choreo, skills camp, and choreo camp.
- Required Footwear:** Rebel Black Revolution shoes must be self-purchased only after sizing metrics are taken on sizing day.

I pledge to honor this contract and pay all required fees on time. All 12 months of tuition are strictly mandatory and required to be paid in full regardless of athlete gym attendance or individual participation breaks.
