Acs has ignored attorney request for discovery and didn't pay for my visitation for two months after their fraudulent claim on oct 19!!!! That they have no evidence of.

Sent from my BlackBerry 10 smartphone on the Verizon Wireless 4G LTE network.

Great brian. Thank you.

Brian,

On oct.19, there were 3 people taking notes. 1 acs person and two social workers that were minnies. Getting notes from 1 person is not the complete record. I do not trust anyone from acs.

Your stating:

I am therefore asking for all the handwritten records pertaining to this case as well.

Is in my opinion wonderful....

Now let's see what they do...

There was a visit on the 10th. I think the other visit was in jan and not december.

Nov 2 was the last one and then I saw my daughter after the new year.

ent from my BlackBerry 10 smartphone on the Verizon Wireless 4G LTE network.

Rosmil,

I just had an opportunity to skim the records you provided last week looking for specific dates and entries.

I am not sure why this is happening, but the records do not contain the records for visits. This is very problematic.

Please provide me immediately the rest of the records including the handwritten notes for the visits of October 18, 19 and the visits in December.

I, along with my client is entitled to them.

I specifically asked for the October 19 records before and they are not in there.

I am therefore asking for all the handwritten records pertaining to this case as well.

Can you provide them by Wednesday as I would like them before the Friday date.

Brian
