ROBERT MALEK
2609 EAST 14TH STREET
APT. 304
BROOKLYN, NY 11235

Dear Robert Malek:

In response to your request that we review your indicated report in the Statewide Central Register of Child Abuse and Maltreatment (Statewide Central Register), we have finished our review and decided to unfound and legally seal the report.

Our decision means we did not find that there was enough believable information to prove you abused or maltreated a child. As a result, we agree with your request to change the result of the report from indicated to unfounded.

This unfounded report will be legally sealed by the Statewide Central Register. This means that the Statewide Central Register will keep a record of your unfounded report. However, all the information in the unfounded report will be kept confidential and not shared with any person or organization except for the very few circumstances that State law allows for an unfounded report to be unsealed and made available to a person or organization. For example, you may request a copy of the sealed report. Additionally, a sealed report may also be made available to a local child protective services office or a State agency investigating a new report of child abuse or maltreatment involving you, the child, or the child's sibling. A sealed unfounded report is not available to employers or licensing agencies involved in the care of the children or the care of adults with disabilities or who have other vulnerabilities.

Sealed reports will be expunged, which means destroyed, ten years after the date of the report and will not be available to anyone in any circumstances. This will happen automatically and does not require any action by you.

Please note that each report is treated separately and the sealing of this particular report will not affect any other reports in which you may have been named as a subject or other person. Therefore, if you were previously advised that a different report had been "indicated", then that report will remain in the SCR and will not be sealed.

If you are receiving services as the result of a different report, the result of finding this particular report unfounded will not change those services.

If you have any questions regarding this letter, please contact 1-844-337-6298 between 8 AM - 5 PM Monday through Friday, excluding holidays, or write to the Statewide Central Register and include a copy of this letter or the Case ID and Stage ID in your letter. Those ID numbers are located in the lower left-hand corner of this letter.

Sincerely,

Kristin Gleeson, Director
State Central Register
Division of Child Welfare
and Community Services
