+OPENING PRAYER

Heavenly Father, how I praise and thank You for Your Word and the comfort and strength it gives me. Thank You for being my Shepherd and my Provider. Thank You for being with me through the darkest days as well as during the sunny times, and thank You for providing all that I need, according to Your riches in glory. Thank You for being my God and Savior. You have, indeed, prepared an overflowing table before me in the presence of my enemies and have anointed my head with the oil of gladness. My cup overflows with Your never-ending blessings, for which I praise and thank You. In Jesus' name, Amen.
