

Duncan Memorial UMC -- Nurture and Outreach

“Reaching out to touch others with Christ’s Love..”

During this most difficult time, help us to remember our church members who are isolated from those they love in assisted living and/or nursing homes. Please keep them in your prayers along with the family members who cannot visit and spend time with them. Here are a list of our homebound members who are in assisted living and nursing homes.

Let’s let them know we are thinking about them by sending them a card every now and then until the time comes when they can once again have visitors. Thank you for your support and care!

“Christ Caring for People through People!”

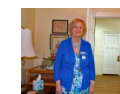

WE ARE GOING THROUGH A REALLY DIFFICULT TIME NOW! Duncan Memorial UMC’s Stephen Ministry team is available to offer some extra support if you feel you might need someone to listen to you, pray with you or just share some scripture or positive thoughts. This would not be an ongoing Stephen Minister/care receiver relationship, but just a time to share whenever needed. All calls will be confidential. You can call the church office at 843-546-5647 to connect you to a Stephen Minister. (Nikki- don’t put these names and pics on Facebook just the website.)

These trained Stephen Ministers are available to receive your call.
