

DREAM BIG LIVE TINY

Elizabethtown, PA 17022

livetinyinfo@gmail.com - www.tiny-estates.com - 717-715-0030

What we offer

Phase 1-Due Diligence \$150

- Warehouse tour
- One hour build consult
- Apply for financing

Phase 2- Building your home

- Finalize finishes
- Finalize home pricing (\$150 applied to your build)
- Finalize financing

Phase 3- BUILD!

*tours are by appointment only. Tours without a build consult are available for a \$25.00 non refundable fee.

Phase One

Our home to yours

Visit our building facility and experience how your tiny home will be made. From design to the nails in your build, you will see how your home is constructed.

Step by Step

Share your tiny house vision with us! Our process takes you through each detail and helps you through the initial selections from our showroom to help build a detailed quote.

Establish Financing

We can help you through the financing process by connecting you with our recommended providers or sharing experiences and information on other providers if you want to compare options.

Phase Two

The Finishing Touches

Now that you have an estimate on your homes cost you can change finishes and materials to tweak price as needed. Adjust anything you were initially uncertain about so you have the home of your dreams.

Final Steps

Using your final selections we can provide you a final invoice and contract. Establishing the final home price we can send you everything necessary to complete the process and start building!

Financing Your Dream

Most people are ready for the leap but can't secure financing on their dream tiny space. We made sure to set up financing for your tiny home so we work with you to get approved and ready for the build budget.

Build!
